Reasons to vote
for Kelli McCartan:

- 1) She has had to endure hardship in life (her dad was the vice-principal of her high school.)
- 2) She wants to bring more life to campus activities.
- 3) She's had the most campaign grievances filed against her for her innovative campaigning.
- 4) Kelli has higher dreams than her opponent. (They share a bunk bed and she sleeps on top.)
- 5) Because soccer players know how to use their head.
- 6) She's a true duck. She lives on water. (She's lived on a house boat her entire life.)
- 7) She tried to bring bounce to the ASUO, but they thought it was of too much value.
- 8) She brightens people's day. (Look at all the yellow shirts running around)
- 9) She never promised to change all the UO toilet paper to 2-ply. (She believes in attainable goals)
- 10) She is naive. She actually thinks she can win without a VP. (She honestly believes in student involvement.)

Let Kelli put her ideas to work for you!
