Horoscope by Frances Drake

For Thursday, April 23, 1998

ARIES
(March 21 to April 19)
It's probably not a good time to discuss money with higher-ups. Personal spending tends to get out of bounds. Enjoy friendly companionship after dark.

TAURUS
(April 20 to May 20)
Impulse buying could lead to overspending. A friend is not on the same wavelength. Your home life proves relaxing during the evening.

GEMINI
(May 21 to June 20)
A family member doesn't really understand you so is unable to support you. It's nothing serious. Evening hours are meant for relaxing pursuits.

CANCER
(June 21 to July 22)
How to spend your leisure time is usually not a difficult question for you, but you're split in two directions. Work is rewarding, so concentrate on that.

LEO
(July 23 to Aug. 22)
Some physical activity is just what the doctor ordered. You've been a bit sedentary of late. In the evening, you should focus on cultural pursuits.

VIRGO
(Aug. 23 to Sept. 22)
Worrying and goofing off are the pitfalls to be faced on the job. Sharing evening hours with a close tie inspires and comforts you. You need to relax and ease up.

LIBRA
(Sept. 23 to Oct. 22)
You and a partner don't see eye to eye, although it doesn't reach the argument stage. Evening activities should center on home and family. Pay attention to budget matters.

SCORPIO
(Oct. 23 to Nov. 21)
Where the use of credit is concerned, your attitude could be inconsistent. Visits with grandchildren are favored. Enjoy leisure pursuits, but avoid going overboard.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Plans involving socializing or travel are subject to change, although it's smooth sailing for you in business. A child could be at odds with a teacher. Be firm in your disciplinary actions.

CAPRICORN
(Dec. 22 to Jan. 19)
Ideas are tossed around in business, but don't expect too much from the day's discussions. Your social life is a pleasant diversion for you in the late afternoon.

AQUARIUS
(Jan. 20 to Feb. 18)
In the morning, you could wrestle with problems without coming up with the answers. Put aside logic, and trust your instincts. It is no time for irrational fears.

PISCES
(Feb. 19 to March 20)
What to keep to yourself and what to reveal about a personal matter seems unclear, but your intuition is on the money regarding career interests. Follow through.

YOU BORN TODAY are often nervous and high-strung. You're determined to get ahead. However, slick business deals are not for you. Always remain true to your ideas. You tend to deal with larger concerns rather than looking out only for yourself. You are likely to have musical talent and an interest in poetry. In business, guard against expediency. You can succeed in fast-moving businesses such as brokering and merchandising.
