Horoscope by Frances Drake

For Thursday, April 30, 1998

ARIES
(March 21 to April 19)
It's a good time for activities at home, including a work-related project, but a friend's problems could bog you down. Keep your focus.

TAURUS
(April 20 to May 20)
Avoid a tendency to withdraw into yourself. Banish worry and take advantage of chances for joy through romance and leisure. Stay relaxed.

GEMINI
(May 21 to June 20)
You have new ideas about business, but it's not the best time to implement them. Money looks good. Find a way to preserve your energy.

CANCER
(June 21 to July 22)
You may be preoccupied with financial concerns. Be careful not to inadvertently shut out those close to you.

LEO
(July 23 to Aug. 22)
Financial negotiations could get bogged down, but there is good news about your career. Stay on your toes. A minor detail could come back to haunt you.

VIRGO
(Aug. 23 to Sept. 22)
There may be too much to do at home to get away. Travel plans are subject to change. Expect good news from a friend.

LIBRA
(Sept. 23 to Oct. 22)
Behind-the-scenes developments are in your favor, but don't mix business and pleasure. Tend to a child-related responsibility immediately.

SCORPIO
(Oct. 23 to Nov. 21)
Get necessary work tasks out of the way, then take advantage of favorable social opportunities. There needn't be a conflict between the two.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Couples aren't straightforward with each other. It's no big deal, but you're not in sync. An out-of-the-way shop leads to a good buy.

CAPRICORN
(Dec. 22 to Jan. 19)
You're in a jovial mood, so get in touch with others. You have mixed feelings about a relationship. Let it play itself out before making a decision.

AQUARIUS
(Jan. 20 to Feb. 18)
Get more than one estimate for household repairs. You find something you like at a seasonal sale. Evenings find you in a contemplative mood.

PISCES
(Feb. 19 to March 20)
There could be communication mix-ups. It isn't a good time to discuss career agreements. Pleasure pursuits, though, are a plus after dark.

YOU BORN TODAY are blessed with good intuition, but also have a strong need for financial security. You should guard against expediency, but must cultivate your own talents. You work best when inspired and are not afraid of taking the least-traveled road. Both practical and idealistic, you sometimes have difficulty reconciling these qualities. You're likely to have an interest in government service and humanitarian pursuits.

Birthdate of: King Carl XVI Gustav of Sweden; Jill Clayburgh, actress; Willie Nelson, musician.
