Horoscope by Frances Drake

For Tuesday, May 5, 1998
ARIES
(March 21 to April 19)
A short business trip proves exciting. It's possible for singles to meet with romance. A late-day corporate conference goes well.
TAURUS
(April 20 to May 20)
A break in the action provides a short respite on the work front. However, a co-worker could take advantage. Don't make things easier for him or her.
GEMINI
(May 21 to June 20)
Rather than butting heads, you need to make peace with a family member. A sympathetic approach works best. By day's end, peace is restored.
CANCER
(June 21 to July 22)
A carnival-like atmosphere rules the day. Co-workers and family members are happy and responsive. An evening social engagement has you dressed to the nines!
LEO
(July 23 to Aug. 22)
You're looking really good, and you know it — which bolsters your confidence. Avoid a tendency to be vain as a result. At night, reflect on your priorities.
VIRGO
(Aug. 23 to Sept. 22)
Playing guessing games with your mate isn't going to get you anywhere. Instead, take your usual straightforward approach. An emergency with a child is possible.
LIBRA
(Sept. 23 to Oct. 22)
Those denials are falling on deaf ears. Have the courage to accept the responsibility for your part in a failed

project. If you do, you can get on with fixing things.
SCORPIO
(Oct. 23 to Nov. 21)
Your judgment is being clouded by someone who is physically dazzling. Try to get beyond that. If you examine the person's character, you're sure to find major flaws.
SAGITTARIUS
(Nov. 22 to Dec. 21)
Wrestling with your conscience is a futile exercise. You know right from wrong, so have the courage to stand by your convictions.
CAPRICORN
(Dec. 22 to Jan. 19)
Your cheerful mood is boosted by good news, which you share with your family. Avoid hard liquor. At night, allow things to wind down.
AQUARIUS
(Jan. 20 to Feb. 18)
An investment matter takes center stage. You find that you need to diversify for more success. After pondering such weighty matters, feel free to relax.
PISCES
(Feb. 19 to March 20)
Your ambition is admirable, but you need to balance it with family time. Your mate, in particular, is feeling neglected. Use evening hours to rectify the situation.
YOU BORN TODAY are no slacker. When you see something needs to be done, you roll up your sleeves and apply yourself to the fullest. You are undaunted by physical or mental challenges. Your sharp mind easily encompasses all the details. You are personable and popular.
Birthdate of: AFL-CIO President John Sweeney; Tammy Wynette, singer; Harold Miner, basketball player.
