Horoscope by Frances Drake

For Friday, May 8, 1998

ARIES

(March 21 to April 19)

Inking that special deal is possible. However, make sure you're aware of all the details involved. If not, you could find yourself dealing with unwanted repercussions.

TAURUS

(April 20 to May 20)

Your stubborn streak is showing once again. You're not ready to accept a change on the job. However, you'll fare better if you acknowledge that the change is inevitable.

GEMINI

(May 21 to June 20)

A technological matter has you stumped. Perhaps not surprisingly, a child has the answer. If necessary, sharpen your computer skills.

CANCER

(June 21 to July 22)

A romantic tryst comes off just as you'd planned. Later in the day, you catch up on correspondence. In all likelihood, you're going to have to rearrange your schedule.

LEO

(July 23 to Aug. 22)

You can't get by on just good looks and charisma alone. You need to further your knowledge about a work project. At night, read to a child.

VIRGO

(Aug. 23 to Sept. 22)

Your desire for a change on the work front is premature. Stick with the status quo to be on the safe side. An evening social outing proves hectic.

LIBRA

(Sept. 23 to Oct. 22)

Your emotions once again in check, you can tackle pressing chores. Try to free up some time during the afternoon for a matter concerning a child. Your mental powers are sharp.

SCORPIO

(Oct. 23 to Nov. 21)

The news you receive takes you by surprise; however, you can turn it to your advantage. In fact, your clever thinking is likely to save the day.

SAGITTARIUS

(Nov. 22 to Dec. 21)

You're positively ebullient on the social scene. However, you're not so lucky on the job. Pay close attention to what your boss is saying.

CAPRICORN

(Dec. 22 to Jan. 19)

Everyone around you is willing to pitch in on that project. With the extra help, you get the job done in no time. Later on, feel free to indulge in a leisure activity.

AQUARIUS

(Jan. 20 to Feb. 18)

It's one thing to enjoy yourself. It's quite another to be so hedonistic. Look carefully at your social life and see what should be changed.

PISCES

(Feb. 19 to March 20)

You're in a low-key mood as the day begins. However, the pace picks up, and soon you're frantically trying to get things done. By day's end, you're ready for a long soak in a tub!

YOU BORN TODAY are able to retain your childlike wonder and curiosity for most of your life. It's a charming quality that wins you many friends. You are the ultimate optimist; you refuse to look on the bad side of any situation or any person. You enjoy working with people and are likely to be in the hospitality business. You love to read, and you never really satisfy your thirst for knowledge.
