Horoscope by Frances Drake

For Monday, May 18, 1998

ARIES

(March 21 to April 19)

Don't let time by yourself cause you to dwell on the things that might go wrong. Needless worry would sap inner strength. Believe in yourself.

TAURUS

(April 20 to May 20)

Put aside career concerns. Doors won't open for you; the parties involved have other questions, which you need to address — all in good time.

GEMINI

(May 21 to June 20)

A power-play situation could develop with a friend over a financial matter. Meanwhile, you get a chance to improve your income. Just be sure the risks are not too great.

CANCER

(June 21 to July 22)

You're in a happy so-lucky mood. Avoid carelessness when driving. Someone you meet doesn't tell you the truth. At night, catch up on correspondence.

LEO

(July 23 to Aug. 22)

Trying to set things right with a family member is apt to lead only to further discord. They aren't ready to face those issues. Don't waste your breath.

VIRGO

(Aug. 23 to Sept. 22)

Be sure someone doesn't stick you with the tab at a get-together. Money could be at the root of a dispute with a child. In general, watch your finances.

LIBRA

(Sept. 23 to Oct. 22)

Problem solving doesn't come easy for you, but try not to get discouraged. Save that serious intellectual work for another time.
