Horoscope by Frances Drake

For Wednesday, May 20, 1998

ARIES

(March 21 to April 19)

In general, things have calmed down, both on the job and at home. Enjoy this time of tranquility. Evening hours find you in a happy mood.

TAURUS

(April 20 to May 20)

Go ahead and celebrate that joyful occasion. Just don't overdo it. Your full mental capacity is required at work, where an important project awaits.

GEMINI

(May 21 to June 20)

You're puzzled by a romantic interest who seemingly has lost interest in you all of a sudden. Examine your own behavior for the answers.

CANCER

(June 21 to July 22)

A bit of unpleasantness occurs between you and a close friend; however, it soon blows over. By day's end, peace is once again restored.

LEO

(July 23 to Aug. 22)

You've put off that distasteful task for so long that now you have to play catch-up. Once you apply yourself, you can clear things up quicker than you'd imagined.

VIRGO

(Aug. 23 to Sept. 22)

What you're considering is merely wishful thinking. Plant those feet firmly on the ground! If you do, you'll avoid disappointment.

LIBRA

(Sept. 23 to Oct. 22)

You spend some time during morning hours correcting a co-worker's error. However, be gracious about it. That co-worker is still learning the

ropes.

SCORPIO

(Oct. 23 to Nov. 21)

Stop complaining about that early-morning wake-up call. Getting an early start is in your favor. You get done all that you'd wanted.

SAGITTARIUS

(Nov. 22 to Dec. 21)

A problem with an elderly relative upsets you. Sit down with other family members and try to reach a solution. Together, you can work it out.

CAPRICORN

(Dec. 22 to Jan. 19)

You feel that someone is leading you on about a certain situation. Look into it further. If your suspicions are right, be sure to assert yourself.

AQUARIUS

(Jan. 20 to Feb. 18)

Your mate is puzzled by your reluctance to talk about your emotions. Brooding isn't the answer. If you reach out, you'll receive all the help you need.

PISCES

(Feb. 19 to March 20)

You're on the fast track at work. Your innovative solutions to certain problems have bigwigs applauding. It could be a good time to ask for financial compensation.

YOU BORN TODAY have an unfortunate tendency to look for the easy way out of a situation — which gets you in trouble early in life. As you mature, you're more willing to accept responsibility. You have a flair for the arts, particularly the performing arts. You are likely to choose a career related to music.

Birthdate of: Cher, entertainer; Tony Goldwyn, actor; Bronson Pinchot, actor.
