Horoscope by Frances Drake

For Wednesday, June 3, 1998

ARIES

(March 21 to April 19)

A co-worker's motives aren't exactly pure where you're concerned. Watch for any signs that you are being undermined. If you find them, deal with the situation directly.

TAURUS

(April 20 to May 20)

You're in a glorious mood as the day begins. This has you putting in a very productive workday. Later, feel free to get in touch with friends from afar.

GEMINI

(May 21 to June 20)

You're making some important connections concerning your career. However, do be sure you aren't ignoring some important people in your life. Pay attention to loved ones.

CANCER

(June 21 to July 22)

Something you've always wanted to do becomes a reality. Enjoy this very special experience. It's definitely a once-in-a-lifetime deal.

LEO

(July 23 to Aug. 22)

Feel free to mix business and pleasure, since it proves beneficial. Later, a creative pursuit takes up your time. A family member adds a special touch to this.

VIRGO

(Aug. 23 to Sept. 22)

Someone's machinations aren't sitting well with you. However, it seems that bigwigs are buying in to this for the short term. Your best bet is to just sit back and be patient.

LIBRA

(Sept. 23 to Oct. 22)

Self-confidence is accented and you're feeling pretty good about your accomplishments. This doesn't mean you can rest on your laurels. Continue to strive and achieve.

© 1998 King Features Syndicate Inc.

SCORPIO

(Oct. 23 to Nov. 21)

Work goes off without a hitch and you're most productive. At home, though, you're in the mood to just sit back, relax and not talk. Family members give you this courtesy.

SAGITTARIUS

(Nov. 22 to Dec. 21)

You're at the forefront of a major work development. Bigwigs notice and seek you out for feedback. Avoid letting all this go to your head, if at all possible.

CAPRICORN

(Dec. 22 to Jan. 19)

A friend's erratic behavior has you worried. However, you need to give this person free rein. After time passes, you get to the bottom of what's been going on.

AQUARIUS

(Jan. 20 to Feb. 18)

Romance is sizzling for singles. Married couples, too, enjoy renewed intimacy. Perhaps it's a good idea to plan for a weekend getaway.

PISCES

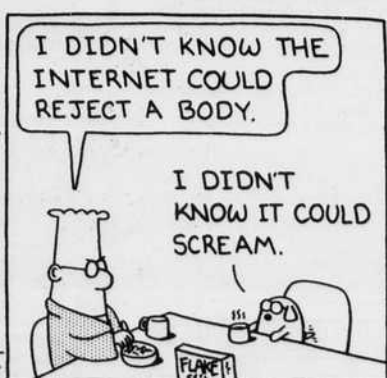

(Feb. 19 to March 20)

Good news is imminent. For now, though, you must deal with your daily routine as best you can. Your mood isn't exactly conducive to socializing during evening hours.

YOU BORN TODAY are someone who loves to be able to help those in need, whether people or animals. You are not afraid to go out on a limb in doing so and are active in recruiting others to your causes. Your generosity extends itself in both time and money. At times, your personal relationships suffer, since loved ones feel they're second best. You are attracted to medicine, missionary work and the clerical life.

Birthdate of: Larry McMurtry, writer; Ellen Corby, actress; Tony Curtis, actor.
