Horoscope by Frances Drake

For Tuesday, June 23, 1998

ARIES
(March 21 to April 19)

It's an excellent day for enhancing
your business prospects, so use your
powers of communication wisely. It's
a great time to invest in some new
office equipment.

TAURUS
(April 20 to May 20)

Your thoughts are consumed by
money, and how to acquire more of it.
Don't let the unusual spell blind you
to the true meaning of encounters.

GEMINI
(May 21 to June 20)

The week begins with admirers
lining up outside your door. Single
Twins are likely to find a new admirer,
while attached Geminis fall in
love with their partner all over again.

CANCER
(June 21 to July 22)

You might find yourself feeling
rather overwhelmed. Seek help from
good friends, and plan for a quiet,
relaxing evening at home.

LEO
(July 23 to Aug. 22)

You are in the spotlight at all social
gatherings, and the Lion revels in
such attention. A new acquaintance
affects your philosophical outlook.

VIRGO
(Aug. 23 to Sept. 22)

Try to stop yourself from daydreaming
so much, as you really need to
take a close look at the details. Enlist
a practical friend if you're feeling
overwhelmed.

LIBRA
(Sept. 23 to Oct. 22)

You are filled with positive energy,
and others gravitate toward your
radiant presence. It's an excellent
time for a long heart-to-heart conversation with a special friend.
