Horoscope by Frances Drake

For Thursday, June 25, 1998

ARIES
(March 21 to April 19)
In the morning, you're unable to connect with a colleague, and you're worried about a deadline. By day's end, the situation resolves itself. It looks like a relaxing evening.

TAURUS
(April 20 to May 20)
Plan a dinner party, as it's a fine time to socialize over good food. If you're single, take a risk in the name of love; otherwise, home is where the heart is.

GEMINI
(May 21 to June 20)
The pieces of the puzzle don't quite fit together. You might need to do a little extra research. Make sure you're not being too selfish when it comes to personal possessions.

CANCER
(June 21 to July 22)
You have that extra boost you need to deal with emotional problems. Have a meaningful chat with a loved one. The outcome will be as you planned.

LEO
(July 23 to Aug. 22)
You are feeling unusually sensitive. Don't take out your insecurities on a well-meaning friend, whom you know is really just trying to help.

VIRGO
(Aug. 23 to Sept. 22)
Someone needs your sympathy, so be willing to listen without offering too much advice. A mini-vacation can put you back in the swing of things.

LIBRA
(Sept. 23 to Oct. 22)
While you're feeling great about your accomplishments, your boss might beg to differ. Lay your cards on

the table. Try to figure out what went wrong.

SCORPIO
(Oct. 23 to Nov. 21)
Nurturing a loved one takes priority over business plans. Your intuitive powers are strong, and you can see through to the heart of the matter.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Listen to your intuition, which is right on the money. If people have been kind to you of late, make sure to return the favor.

CAPRICORN
(Dec. 22 to Jan. 19)
A profound event might jeopardize your sense of reality. A good friend can help you sort through the dichotomy. Choose wisely between demands of home and career.

AQUARIUS
(Jan. 20 to Feb. 18)
The forward-thinking Aquarius is, as always, dreaming of a bright future. However, you need to attend to the more-mundane necessities of life.

PISCES
(Feb. 19 to March 20)
Your cheery demeanor is positively infectious, and there is magic in the air. As much as you're concerned with career advancement, be sure to make a little time for love.

YOU BORN TODAY prefer to work quietly behind the scenes rather than be the center of attention. Family life is important to you, and your need for domestic security makes you somewhat unadventurous. While you might put up a tough front, deep down you're a big softie.

Birthdate of: Carly Simon, musician; Tim Finn, musician; Dikembe Mutombo, basketball player.
