Horoscope by Frances Drake

For Thursday, Aug. 13, 1998

ARIES
(March 21 to April 19)
Your mind is drifting toward your pocketbook and your financial goals are elongating. You have the resources to make your dreams come true. Do it.

TAURUS
(April 20 to May 20)
Your talents will be recognized, and you will make heads turn. Talk to strangers, but don't take any candy from them. Enjoy this moment in the limelight.

GEMINI
(May 21 to June 20)
Experiencing something exotic is sure to lift your spirits to a higher plane. A nice meal or a soothing bath can be just what the doctor ordered.

CANCER
(June 21 to July 22)
Showing off your supreme domestic abilities will be a pleasant distraction from more pressing obligations. Try a hearty stew or quick redecorating.

LEO
(July 23 to Aug. 22)
Always the wishbone caught between the home and the office, you are at a crucial snapping point. Be careful what you wish for — you just might get it.

VIRGO
(Aug. 23 to Sept. 22)
There may be a getaway in your future. Traveling can be great fun, but only if you're well prepared and all arrangements have been doubly confirmed.

LIBRA
(Sept. 23 to Oct. 22)
You might get caught in an ugly battle between rival egos struggling

for power. Remain a neutral party, but not obstinately immovable.

SCORPIO
(Oct. 23 to Nov. 21)
Items you'd always thought were yours may suddenly grow legs and start to disappear. Someone may also be stealing your creative ideas.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Something is bothering you and you can't quite pinpoint the source. Is there something you've forgotten? Getting organized is a new initiative.

CAPRICORN
(Dec. 22 to Jan. 19)
Others will start to notice something you've known for a long time — how articulate and intelligent you really are. Spiff up your presentation.

AQUARIUS
(Jan. 20 to Feb. 18)
If you're considering a big move or a fresh start, reconsider. Try working the kinks out of your current situation before sending it to scrap.

PISCES
(Feb. 19 to March 20)
People are really listening to you, so make the most out of it. Your actions will be remembered and well rewarded if you're in with the right crowd.

YOU BORN TODAY into life's three-ring circus should make it a point not to play too long with the clowns, not to walk the tightrope without a net and not to stick your head in the lion's mouth if he hasn't been properly fed. Even the simplest activities can bring a great amount of pleasure.
