

# WOW Hall hosts mix of shows

Volunteers are an important part of the downtown performance hall's success

For a mix of entertainment that all ages can enjoy, students may turn their attention from the liquor store on 8th Avenue to a stately building down the street. Better known by its astonishing acronym, the Woodmen of the World Hall has been hosting live music and dancing since 1933.

Under the ownership of the nonprofit organization Westside Community Center for the Performing Arts, the WOW Hall is staffed primarily by volunteers. Although there is a paid staff of twelve, there are more than 450 active volunteers, of which more than half are teenagers.

This week, three African dance sessions and one in adult tap will try the "floating floor" of the WOW hall. The less-than-solid hardwood maple floor's reputation is, in fact, one of the hall's biggest attractions, publicist Bob Fennessy said.

"The way the floor is constructed, it moves, it has some give to it," he said.

For onstage events, the patchwork performances begin the Tuesday night at 7:30 p.m. CCPA will have a Hawaiian folk concert featuring Bob Brozman and Ledward Kaapana, who are both masters of the slack key guitar style.

Friday, the one-woman band.
