

Trips: Oregon's Waldo Lake is world's third-purest lake

Continued from Page 6D

Feel Lucky? Located off I-5 in Canyonville, this casino offers a wide range of gambling and entertainment for those willing to try their hand. From blackjack tables to slots, people promote high energy. The casino is newly renovated and now includes a hotel if one wishes to rest his or her weary head.

Head for the hills

K2 is a little far, but luckily Eugene is blessed with climbs of its

own. A day hike at Spencer Butte provides many with the exhilaration of being on the top of the world. If you're feeling up to an evening outdoor adventure, Moon Mountain presents a lovely glow under a full or bright moon. Everywhere there are trails and paths that lead someplace magical.

Willamette Valley Vineyard

A little bit of elegance nestled in Oregon. This vineyard is located in the heart of Oregon's

Willamette Valley and is a premier landmark winery. A wine tasting and tour of this picturesque vineyard is a great escape for the day. Strolling through the vineyard may ignite a deep passion for the sweet wine. The vineyard also hosts many events throughout the year.

Rafting

Feel like testing the waters? Spend an afternoon whitewater rafting. Be prepared to get wet and wild on the excursion. Many local

rafting companies offer day trips and instruction. Not enough excitement on the river yet? Rent a kayak and get a bit closer to the wild and crazy ways of the water.

Wildlife Safari

Bust out the cargo pants and camouflage hats. This drive-through game park is located at exit 119 off I-5. This local adventure may ignite your interest of lions, tigers, bears and many other wildlife animals. The safari provides a little taste of something

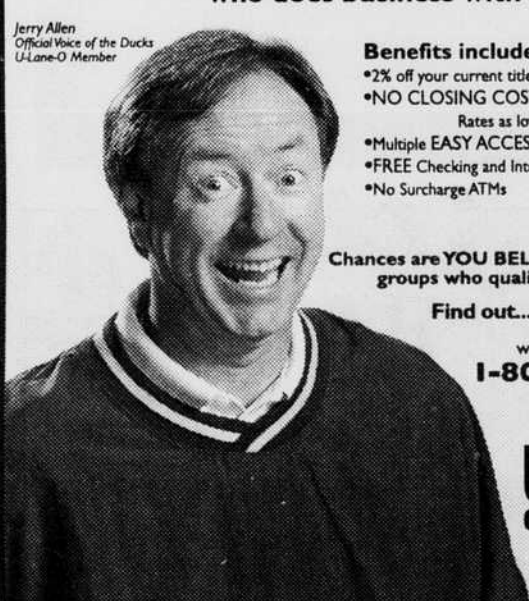

different for many people.

Waldo Lake

Where's Waldo? Just outside Oakridge, Waldo Lake is the third-purest lake in the world. A technical 23-mile single track path surrounds the perimeter of the lake, providing tantalizing views. Waldo Lake is a great escape. However, bring the bug repellent because mosquitoes the size of cocker spaniels have been known to make an appearance on muggy days.
