**Horoscope by Frances Drake**

For Tuesday, Sept. 29, 1998

**ARIES** (March 21 to April 19)  
Suddenly everyone turns to you for answers, so make sure you are well prepared. Employers and managers are paying close attention to your actions.

**TAURUS** (April 20 to May 20)  
Roll up your sleeves and prepare to do a little hard work. Material goals are closer within your reach than you currently realize.

**GEMINI** (May 21 to June 20)  
Others are not on your wavelength, and you feel frustrated by their indifference. A little solitary adventure will go a long way in lifting your spirits.

**CANCER** (June 21 to July 22)  
Traffic jams are likely to feature in your day, and emotional conflicts will need to be met head-on. Use your powers of persuasion to turn a situation to your advantage.

**LEO** (July 23 to Aug. 22)  
While dramatic comments cause a laugh, they might leave a lingering, and unwanted, impression. There is no excuse for boredom if you have an imagination.

**VIRGO** (Aug. 23 to Sept. 22)  
Creativity will flow better in a group situation, so be sure to put your heads together. Remember that the delight is as much in the process as the product.

**LIBRA** (Sept. 23 to Oct. 22)  
Relationship woes rear their ugly head yet again. Maintain a cool demeanor when discussing emotionally volatile issues.

**SCORPIO** (Oct. 23 to Nov. 21)  
People appreciate your loud, clear voice and excellent choice of words. Just make sure that you're not being too overbearing.

**SAGITTARIUS** (Nov. 22 to Dec. 21)  
A casual comment hits a little too close to the bone, creating a rift between you and a loved one. Clear communication is the only solution.

**CAPRICORN** (Dec. 22 to Jan. 19)  
Should you find yourself the center of attention, be sure to make the most of the occasion. Resist giving in to a temptation if you know you will regret it later.

**AQUARIUS** (Jan. 20 to Feb. 18)  
Pay attention to any subliminal messages you feel you are receiving. When it comes to affairs of the heart, the answers are always totally rational.

**PISCES** (Feb. 19 to March 20)  
You are invited to join some friends in high places. Make the most of the exquisite adventure that will surely follow.

**YOU BORN TODAY** Practical and down-to-earth, you excel in matters that require logical thinking. However, when it comes to intimate relationships, your defense mechanisms can lead you to act less rationally. Your drive and ambition are bound to take you far.
