Horoscope by Frances Drake
BY FRANCES DRAKE
What kind of day will tomorrow be? To find out what the stars say, read the forecast given for your birth sign.

For Wednesday, Sept. 30, 1998

ARIES
(March 21 to April 19)
Assemble a group of like-minded individuals, and you will be amazed at the energy that will subsequently follow. Plan to do something special for yourself, also.

TAURUS
(April 20 to May 20)
Imagination is the first step necessary in improving your current situation. Most likely, you will find that you have been looking at limited options.

GEMINI
(May 21 to June 20)
You will not regret giving in to those dreams of adventure and travel. Pick up a few brochures, and start to make those fantasies a reality.

CANCER
(June 21 to July 22)
Something that you've been dreading for some time will turn out to be far less serious than you imagined. Be prepared to change your plans at a moment's notice.

LEO
(July 23 to Aug. 22)
Keep personal selfishness out of the picture when making a decision for the group. What seems like a monkey wrench in the works will turn out to be a lucky twist of fate.

VIRGO
(Aug. 23 to Sept. 22)
An irritating problem on the domestic front can be solved with a more creative approach. Organization will be key in successfully completing a project.

LIBRA
(Sept. 23 to Oct. 22)
Be sure to make the most of a sudden burst of inspiration. In turn, you will inspire all around you with your enthusiasm and great ideas.

SCORPIO
(Oct. 23 to Nov. 21)
It may be necessary to distance yourself from the demands of family life for a while. Your ideas conflict with the people around you, so be prepared for a challenge.

SAGITTARIUS
(Nov. 22 to Dec. 21)
You are unable to speed up the perplexing process of getting through red tape, so take a few deep breaths and wait in line with the world patiently.

CAPRICORN
(Dec. 22 to Jan. 19)
Hang on to your principles in the face of an unexpected turn of events. Use your common sense when dealing with the unknown.

AQUARIUS
(Jan. 20 to Feb. 18)
Do not worry that your hard work will go unnoticed. A well-deserved boost in your position is in the very near future.

PISCES
(Feb. 19 to March 20)
Perform an altruistic gesture and someone in a position of authority is likely to notice. Don't keep your emotions bottled up when dealing with a partner.

YOU BORN TODAY Your tendency to dramatize a situation is apt to get you into trouble. On the other hand, you are rarely boring to be around. In addition to an active imagination, you have a deep passion for the finer things in life.
Birthdate of: Angie Dickinson, actress; Fran Drescher, actress; Marilyn McCoo, singer.
