WORKSHOPS: 1 CREDIT

One and two credit workshops and seminars can be added to class schedules up until the day prior to when the course begins.

Addiction & Kids

Sat, Oct 10
8:00am - 4:50pm
150 COL
EDUC 407/507
CRN: 15922/16459
\$35

This workshop will focus on youth and their alcohol and other drug use. It will include aspects of prevention programs and treatment programs for those youth diagnosed as addicted.

Sexual Addiction

Sat, Oct 24
8:00am - 4:50pm
150 COL
EDUC 407/507
CRN: 15925/15926
\$35

This training is designed to take you through the murky world of what is known of sexual addictions and deviances as categorized by diagnostic and addictions criterion. Deborah Franek will relate her own account of her encounter with self-diagnosed pornography-addicted serial killer Ted Bundy.

Trauma Survivors

Sun, Oct 25
8:00am - 4:50pm
150 COL
EDUC 407/507
CRN: 15927/15928
\$35

Ms. Franek is believed to be the only known survivor of mass murderer Theodore "Ted" Bundy. Since that time, she has dedicated her professional life to the effective treatment of trauma survivors and court mandated sex offenders.

Attachment Disorder

Sat, Oct 31
8:00am - 4:50pm
150 COL
EDUC 407/507
CRN: 15920/15921
\$35

During this workshop you will be introduced to the definition, research findings, development axioms of attachment; Bowlby's Stages of Separation, and leave with a clearer understanding of mourning and grief.

Kids Killing Kids

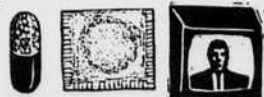

Sun, Nov 8
8:00am - 4:50pm
150 COL
EDUC 407/507
CRN: 15931/15932
\$35

Presentations will include positive strategies and skills for working with kids including prevention and safety issues. Students will develop insight into the dynamics of a child's success or failure as well as how to make a positive difference.

Drugs, Sex, & The Media

Sun, Nov 15
8:00am - 4:50pm
150 COL
EDUC 407/507
CRN: 15918/15919
\$35

This workshop will examine the concept of alternative highs both from academic and personal perspectives. Students will learn about current research in the field of leisure education and behavior and how this information affects us and our communities. Speakers will share activities that have enhanced their lives and challenged them to grow mentally, physically and spiritually.

Concepts/ Boundaries

Sun, Nov 22
8:00am - 4:50pm
150 COL
EDUC 407/507
CRN: 15929/15930
\$35

This workshop will introduce the concept of boundaries as implemented in our intra- and inter-personal relationships.

Alternative Highs

Sat & Sun,
Oct 17-18
8:00am - 4:50pm
150 COL
EDUC 407
CRN: 15923
\$80

This workshop will examine the concept of alternative highs both from academic and personal perspectives. Students will learn about current research in the field of leisure education and behavior and how this information affects us and our communities. Speakers will share activities that have enhanced their lives and challenged them to grow mentally, physically and spiritually.

THE ABOVE COURSES CAN BE APPLIED TO THE AREA OF CONCENTRATION CERTIFICATE AVAILABLE THROUGH THE SUBSTANCE ABUSE PREVENTION PROGRAM. FOR MORE INFORMATION, CONTACT THE SAPP OFFICE, 346-4135
