Horoscope by Frances Drake

BY FRANCES DRAKE
What kind of day will tomorrow be? To find out what the stars say, read the forecast given for your birth sign.

For Friday, Oct. 2, 1998

ARIES
(March 21 to April 19)
Don't sign a legal agreement until you're sure of the facts. A judgment made by authorities will be very much in your favor.

TAURUS
(April 20 to May 20)
You discover that you have far more in common with a co-worker than you realized. There may also be the potential for romance.

GEMINI
(May 21 to June 20)
If personal demons are popping up to haunt you, throw your energy into work. Not only will this ease your soul, but it will greatly please your superiors.

CANCER
(June 21 to July 22)
Something wonderful becomes a welcome habit. You may be feeling unusually vulnerable in regards to a developing relationship.

LEO
(July 23 to Aug. 22)
An aspect of your romantic life is influenced by outside forces beyond your control. Remember that a change is not necessarily the same thing as an ending.

VIRGO
(Aug. 23 to Sept. 22)
Try to look for the good in someone close to you, rather than focusing on the worst. Patience proves to be the key in soothing ruffled feathers.

LIBRA
(Sept. 23 to Oct. 22)
Using your ability to be suave will be key in bringing out the best in your friends. Your desire for peace will be fulfilled for a low price.

SCORPIO
(Oct. 23 to Nov. 21)
Make the most of an extremely pleasurable time with good friends. Take caution with your assets, as some minor changes are in the offing.

SAGITTARIUS
(Nov. 22 to Dec. 21)
It is wise to meet a challenge with all your faculties operating at peak performance. An elder relative will need your emotional support.

CAPRICORN
(Dec. 22 to Jan. 19)
Often the best way to lead is by demonstration. An old idea will be given a fresh jolt by a fascinating conversation with a near stranger.

AQUARIUS
(Jan. 20 to Feb. 18)
A friend's advice is worth far more than anything material. When making a new purchase, remember that a bargain is not necessarily a good investment.

PISCES
(Feb. 19 to March 20)
Do something nice for yourself, and feel proud of yourself for doing so. A misunderstanding throws a cloud over an intimate relationship. YOU BORN TODAY A highly sensitive and compassionate soul, you will do almost anything to uphold your values. While people have great respect for your perseverance and dedication, they find it somewhat difficult to bond with you on a more personal level.
