Horoscope by Frances Drake

For Tuesday, Oct. 20, 1998
ARIES
(March 21 to April 19)
Return to a project that has been
put on hold for a long time. Your
methodical approach prevents you
from repeating a common error.
TAURUS
(April 20 to May 20)
A casual flirtation becomes roman-
tic when you least expect it. Someone
else's adventure coincides with your
own in a fortuitous manner.
GEMINI
(May 21 to June 20)
Important messages may be ig-
nored due to an extremely poor deliv-
ery. Retain a calm demeanor when
dealing with a difficult youngster.
CANCER
(June 21 to July 22)
Doing something fresh and unex-
pected adds a whole new shade to
your mood spectrum. People with a
hands-on approach prefer models
over explanations.
LEO
(July 23 to Aug. 22)
Take a good, hard look at your
long-term financial situation. While
it will pay off to put some practical
measures into effect, remember that
security is mainly a state of mind.
VIRGO
(Aug. 23 to Sept. 22)
Your input is welcome among those
who have the capacity to understand
it. If you feel you're going over others'
heads, revert to layman's terminol-
ogy.
LIBRA
(Sept. 23 to Oct. 22)
Don't be afraid to stand up and
loudly demand what is rightfully
yours. A family member or friend

respects your ruthless honesty.
SCORPIO
(Oct. 23 to Nov. 21)
Surrender to forces larger than
yourself in order to fully enjoy a very
special moment. When you're among
equals there are absolutely no bound-
aries.
SAGITTARIUS
(Nov. 22 to Dec. 21)
You might be forced to adjust to a
grim reality. Accepting your limita-
tions gracefully will make them sud-
denly seem much more minor.
CAPRICORN
(Dec. 22 to Jan. 19)
Your astonishing brainpower is
currently the envy of all those who
know you well. Lead the way by sim-
ply doing what you know is best.
AQUARIUS
(Jan. 20 to Feb. 18)
People who have been avoiding you
return as you prove yourself during a
tough time. Once you have laid the
groundwork, a project will take off at
high speed.
PISCES
(Feb. 19 to March 20)
While others might not wait for
you to catch up, they eagerly antici-
pate your arrival. It's high time that
someone in your life recognized you
for the treasure you are.
YOU BORN TODAY Practical and
down to earth, you can be relied upon
for a thoughtful opinion on almost
any topic. While it takes you a lot of
time to let your guard down, once
people earn your trust, you are an
extremely loyal friend. Your biggest
downfall is your jealous streak.
Birthdate of: Jerry Orbach, actor;
Tom Petty, musician; Dr. Joyce
Brothers, psychologist.
