Horoscope by Frances Drake

For Thursday, Oct. 22, 1998

ARIES
(March 21 to April 19)
Once again, the focus is on relationships and the art of cooperation. Make decisions that consider everyone, as the time for personal concerns has come and gone.

TAURUS
(April 20 to May 20)
Talk will get you nowhere; the time for action is upon you. Fortunately, a variety of helpful friends and strangers will make the deeds a pleasure.

GEMINI
(May 21 to June 20)
Romance is very much on your mind, so make the most of it by setting the mood. It's a rare day when you find someone who thinks exactly the way that you do.

CANCER
(June 21 to July 22)
Domestic security is first and foremost on your mind once again. While it's great to plan for the long term, make sure that you're not missing too much of the moment.

LEO
(July 23 to Aug. 22)
A strong-willed person may leave you feeling as though you've been used. Don't try matching speeds with someone moving too fast for you.

VIRGO
(Aug. 23 to Sept. 22)
Suddenly it becomes much easier to laugh at and forgive past grievances. Keep your ears open, as an older relative has some valuable wisdom to impart.

LIBRA
(Sept. 23 to Oct. 22)
Do what you have known is right all along, and save yourself some time worrying. A friendship may blossom into something quite unexpected.

SCORPIO
(Oct. 23 to Nov. 21)
As a relative outsider, you can't help but notice someone else's problems. Strive hard to find a balance between being concerned and interfering.

SAGITTARIUS
(Nov. 22 to Dec. 21)
At long last, you are ready to go for the gold that you so deserve. Don't compromise on your desires, as they're far more attainable than you might realize.

CAPRICORN
(Dec. 22 to Jan. 19)
You may be faced with unhappy consequences if you remain unwilling to perform. The time has come to put your money where your mouth is.

AQUARIUS
(Jan. 20 to Feb. 18)
While your current attitude may not be winning you any friends, it is making a few people think. At last, they realize that it's your way or the highway.

PISCES
(Feb. 19 to March 20)
If you keep coming up with a perplexing answer, you may need to seriously re-evaluate your data. Step back and gain a fresh perspective.

YOU BORN TODAY Your stock in trade is charm, a quality you possess in spades. Once you decide what you want, there is little that can stand in your way, particularly as others easily acquiesce to your desires. When it comes to love, you have an unfortunate tendency to be faithless.

Birthdate of: Catherine Deneuve, actress; Annette Funicello, actress; Jeff Goldblum, actor.
