Horoscope by Frances Drake

For Tuesday, Oct. 27, 1998

ARIES
(March 21 to April 19)
A superior is likely to give you a better position or more interesting assignment. Feel proud of yourself, as this reflects your newly acquired skills and good attitude.

TAURUS
(April 20 to May 20)
Put in some planning time on paper before you commit to goals; this way you'll be sure that they are realistic. Start spreading the word that you're available for new projects.

GEMINI
(May 21 to June 20)
Financial difficulties are likely to arise unless you tighten a grip on those purse strings. Don't let a minor rejection throw a major wrench in your works.

CANCER
(June 21 to July 22)
Those with romantic partners are likely to find themselves bickering. Rest assured that a little time out is all you both need to see things more clearly.

LEO
(July 23 to Aug. 22)
Think about others rather than stroking your own ego. Since you've been so fortunate lately, you might as well spread the joy around.

VIRGO
(Aug. 23 to Sept. 22)
While wild ideas tug at you, a good friend or partner will help bring you back down to earth. Maintain a neutral position when it comes to gossip.

LIBRA
(Sept. 23 to Oct. 22)
An unhappy history can be put right far more easily than you realize. Take the time to reunite with

someone you sparred with.
SCORPIO
(Oct. 23 to Nov. 21)
If you've been unhappy when it comes to love lately, it looks like your luck is about to vastly improve. This could be the start of something big.

SAGITTARIUS
(Nov. 22 to Dec. 21)
You may be forced to act for the sake of appearances; if so, try to do it gracefully. Soon you will have the opportunity to express your true feelings in private.

CAPRICORN
(Dec. 22 to Jan. 19)
Someone from your past is likely to make a startling re-entry. You accomplish something both delightful and unexpected in terms of your career.

AQUARIUS
(Jan. 20 to Feb. 18)
While the warnings of others are important, your gut should have the final say-so. You feel confined by the expectations of a partner or family member.

PISCES
(Feb. 19 to March 20)
Don't volunteer to take on a difficult job if you know deep down that you cannot handle the responsibility. It seems like you have enough on your plate already.

YOU BORN TODAY Among your many virtues are ambition, persistence and efficiency. Thus, the many goals that you dream of are well within your capabilities. Others enjoy your dry sense of humor and admire your dedication and loyalty.

Birthdate of: John Cleese; actor; Simon LeBon, rock musician; Fran Lebowitz, author.
