Horoscope by Frances Drake

For Monday, Nov. 2, 1998

ARIES
(March 21 to April 19)
You are possessed of a great deal of physical and mental energy, and you are inspired to use it in a positive way. Situations seem to restructure around you.

TAURUS
(April 20 to May 20)
Take things at a slow and steady pace, and maintain inner focus. Do not confuse yourself by trying to interpret mixed or unclear messages.

GEMINI
(May 21 to June 20)
Innovative and groundbreaking concepts surround you. You are delighted to find yourself on the cutting edge and are stimulated by those who accompany you.

CANCER
(June 21 to July 22)
Events and people seem to be moving at a hectic pace, and you are not comfortable with it. Allow yourself to hang back and give yourself space.

LEO
(July 23 to Aug. 22)
Your opinions change rather rapidly as you are faced with a wealth of new information. Take some time to digest everything before you make any significant decisions.

VIRGO
(Aug. 23 to Sept. 22)
It is a perfect time for little indulgences; don't take it personally if anyone thinks that you're having too much fun. However, avoid major decisions or risks.

LIBRA
(Sept. 23 to Oct. 22)
Be patient with yourself and others. It is frustrating when nothing seems to make sense, but a negative reaction will make the situation worse, not better.

SCORPIO
(Oct. 23 to Nov. 21)
Make sure you have an itinerary or a plan of action before you take any serious steps. You are ready to make progress, but it might be in the wrong direction.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Your creative energy is at a peak; you are utterly inspired! A daydream quickly forms into an actual possibility, and you know how to turn it into a reality.

CAPRICORN
(Dec. 22 to Jan. 19)
A conflict caused by a difference in opinion might cause problems for you. Try to be open-minded, but look out for the things and people who are close to you.

AQUARIUS
(Jan. 20 to Feb. 18)
You are able to find humor in any situation, no matter how bizarre. A note or comment that would normally offend you only makes you laugh.

PISCES
(Feb. 19 to March 20)
Look beyond the obvious to the hidden meaning. At this time you may feel a bit befuddled or defenseless, but your intuitive powers are still available if you choose to utilize them.

YOU BORN TODAY Perseverance and determination make you a contender in any field. You are used to getting your way and need to make sure that you know how to accept defeat gracefully if need be. You are able to interact well in social situations, though you sometimes would prefer to have more private time.

Birthdate of: Pat Buchanan, politician; Shere Hite, author; Stefanie Powers, actress.
