

“Look everybody, it’s a **JOB FAIR!** Wow...just me and several hundred of my *closest* friends sharing an *intimate* moment with **MEGAGLOMERATE, INC.** **Yawn.** Wouldn’t it be *cool* if one of these companies **REMEMBERED** what it was like when they were about to **get out of school?** I mean, these guys know my **gpa**, *bloodtype* and *next of kin*. **HOW MUCH** do I **really** know about *them*? this is my **LIFE.** Just give me **ZERO BS** and lots of **STRAIGHT TALK** about stuff that **really** matters. Wouldn’t that be *cool?*”
