Frito-Lay is looking for **bright energetic leaders** who thrive on competition and winning. People who can **motivate**, build teams and inspire others to **make a difference**.

## SALES COORDINATORS/ MANAGEMENT TRAINEES

As the industry leader in construction equipment rental, no one gives you a better opportunity to build a successful career than Hertz Equipment Rental Corporation. As we continue to expand, we have a need for motivated professionals in our Eugene and Portland branches.

In these excellent inside sales opportunities, the aggressive individuals we seek will be involved with territory sales development, operational training, and daily business reports. Requires a Bachelor's degree with strong communication skills. Solid advancement potential. Will train qualified individuals.

In return for your contributions, we offer a competitive salary and comprehensive, company paid benefits. For immediate consideration, please fax (916)648-1303, or send your resume to: **Hertz Equipment Rental Corporation, 1740 Creekside Oaks Drive, Sacramento, CA 95833. Attn: Dept SH. EOE.**

## ACCOUNTING MAJORS

Exciting career opportunity in beautiful, sunny Central Oregon for an **Accountant**. This unique position offers an opportunity to gain experience and learn job skills that could take several years at other firms.

**Hooker Creek Ranch** began as a horse operation, and is still in the business of raising and training Quarter Horses. In recent years, we have entered the aggregate business, opening the Moon Quarry in 1993 and acquiring **O'Neil Sand and Gravel** in 1996. In 1998 we purchased **Bend Ready Mix**, a market leader in the ready mixed concrete business. This has given us a significant presence in Deschutes County and we have plans for continued aggressive growth.

We are seeking a fall '98 or recent graduate who is an energetic team player and can manage multiple tasks simultaneously. The successful candidate must have a strong understanding of accounting principles and concepts and the ability to prepare financial statements; job cost, equipment cost, sales analysis, and other management reports. Processing a large volume of data on a daily basis is also required, primarily in purchasing and accounts payable, also invoicing and accounts receivable, and some payroll. Proficient in Windows 95, Excel, Word and Access. Experience with Great Plains, MAS 90, Forefront, Timberline or similar program. Knowledge of Windows NT or Crystal Reports a plus.
