## We cultivate champions.

Rogue Wave Software, a recognized leader in reusable, cross-platform software parts...

...is looking for world class computer scientists to join its highly-respected Technical Support Team at its headquarters in Corvallis, OR.

If you have what it takes to communicate complex ideas, algorithms, and programming solutions to clients, then Rogue Wave wants to meet you and talk about being a Technical Support Engineer.

If you are effective at working in teams to meet the diverse programming and support needs of clients from around the world, then talk with us. Tell us about your BS or MS in Computer Science, your knowledge of C++, Java, and Object-oriented programming. Do you thrive on working with new technology? Do you have strong problem-solving and analysis skills? An understanding of RDBMS, network programming, and GUI programming?

Do you want more? Technical Support Engineers at Rogue Wave get immediate satisfaction from projects because their clients champion their efforts. And the variety of projects, as well as the career path to Consulting and Training in Technical Support, makes being a Technical Support Engineer at Rogue Wave a great career choice.

Consider joining our team of champions.
