Horoscope by Frances Drake

For Tuesday, Nov. 3, 1998

ARIES
(March 21 to April 19)
A strong sense of prosperity and security enables you to provide support to the less fortunate. People are encouraged by your success.

TAURUS
(April 20 to May 20)
Congratulate yourself on recent successes. Others will support and encourage you; no self-effacement is necessary.

GEMINI
(May 21 to June 20)
You feel oddly apathetic and somewhat lethargic. Any movement takes an effort — perhaps it's better to remain still for the time being.

CANCER
(June 21 to July 22)
A good time to mingle, network, reunite, etc. Friends and neighbors may decide to drop by, and you are more than glad to entertain them.

LEO
(July 23 to Aug. 22)
Subdue any impulses to start a fight or a frenzy. You may feel temporarily confused or ineffective, but these feelings are sure to pass.

VIRGO
(Aug. 23 to Sept. 22)
If you've been planning a trip, now is a good time to solidify your itinerary. Schedules, prices and other stress-causing details will magically work themselves out.

LIBRA
(Sept. 23 to Oct. 22)
Keep a strict rein on your more hedonistic side. When consuming fattening foods or specialty drinks, know where to set your limits.

SCORPIO

(Oct. 23 to Nov. 21)
Focus on your interactions with other people. You are capable of forging a major alliance or starting a small war — use your power wisely.

SAGITTARIUS
(Nov. 22 to Dec. 21)
You may feel slightly uncomfortable in your own skin, and perhaps a bit guilty about past actions. Take steps to put things right with others and within yourself.

CAPRICORN
(Dec. 22 to Jan. 19)
You have a heightened awareness of your surroundings. Each new sight and sound is a delight, and you are eager to share your enthusiasm with friends and family.

AQUARIUS
(Jan. 20 to Feb. 18)
It is time to forgive a past debt, or to stop holding a grudge. You have the opportunity to work things out and proceed in a different direction.

PISCES
(Feb. 19 to March 20)
Go see an art film or buy a new album. The experience will be even better if it is shared with a friend or two. Going solo will not provide the outlet you need.

YOU BORN TODAY A chameleon could not blend better into its surroundings than do you, which is not to say that you are not noticed. Rather, you can become all things to all people, yet still maintain an innate sense of self and very definite goals for yourself. You may be tempted to manipulate people and circumstances from time to time.
Birthdate of: Charles Bronson, actor; Kate Capshaw, actress; Roseanne Barr, comedian.
