Horoscope by Frances Drake

For Thursday, Nov. 5, 1998

ARIES

(March 21 to April 19)

You find yourself ready to articulate and implement a strategy for success. Share your ideas with the world, but don't spend all your time talking.

TAURUS

(April 20 to May 20)

You understand that there is no point in having money if you can't spend it. Still, keep track of the directions in which your cash flows.

GEMINI

(May 21 to June 20)

Absolutely nothing is impossible right now. If you cannot accomplish everything yourself, you can certainly find the right person for every job.

CANCER

(June 21 to July 22)

Expect a certain level of confusion in your interactions with others. It is not that you or they are not making sense; it's just that lines of communication sometimes cross.

LEO

(July 23 to Aug. 22)

If you go exploring or investigating in unfamiliar areas, there is no telling what you might find. A romantic encounter is highly likely.

VIRGO

(Aug. 23 to Sept. 22)

If someone claims to "need to talk," he/she probably just needs a good listener who gives a small portion of advice. You are perfect for the role should you choose to assume it.

LIBRA

(Sept. 23 to Oct. 22)

It is extremely difficult to face up to problems in your personal life, but you have to do it sometime. Be brave now; you'll feel better for it later.

SCORPIO

(Oct. 23 to Nov. 21)

Prepare to assimilate to new and strange circumstances. There is no way to avoid them, but you can find a comfortable spot in the new order.

SAGITTARIUS

(Nov. 22 to Dec. 21)

You are tempted to engage in discussion and debate with everyone you see. Remember to keep things on a hypothetical, intellectual level.

CAPRICORN

(Dec. 22 to Jan. 19)

Although you have ten thousand things to get done, you can't seem to focus on any of them. Give yourself some slack; let your duties wait until you're mentally prepared.

AQUARIUS

(Jan. 20 to Feb. 18)

You are in a mood to deal with people directly. Although you often like to be at a distance from your peers, you are ready to get in the center of things at this time.

PISCES

(Feb. 19 to March 20)

You may become frustrated with people's inability to understand you. Don't blame them until you've analyzed your own methods of communication.

YOU BORN TODAY On a good day, your charismatic glow draws people from miles around. On a bad day, no one wants to get within 50 feet of you. This is all caused by the intense, dynamic energy that emanates from within you. You will be happier if you learn to tone down this energy for casual situations.
