Horoscope by Frances Drake

For Monday, Nov. 9, 1998

ARIES
(March 21 to April 19)
You feel refreshed, energized and ready to move ahead on projects which may have been stalled for a while. Don't miss this chance to change your life in ways you only dared imagine before.

TAURUS
(April 20 to May 20)
Someone in your family may be causing you friction and giving you a headache. Learn from the example of the willow tree which bends with every wind.

GEMINI
(May 21 to June 20)
A well-meaning slip of the tongue or something else you say may have consequences you didn't intend. Make sure you communicate clearly, particularly at work.

CANCER
(June 21 to July 22)
Someone important in your life is finding it impossible to say no to you; make sure that what you're asking for is really deserved. At work, this is the time to ask for that raise.

LEO
(July 23 to Aug. 22)
Has life ever been so fun? Workday blues can't get you down; you're full of high spirits and ready to have fun. Get out of the office and take a walk or lunch with friends.

VIRGO
(Aug. 23 to Sept. 22)
Time spent clearing away irksome details or attending to errands will serve you well, especially if taking care of these tasks keeps you out of the way of someone who may be spoiling for a fight.

LIBRA
(Sept. 23 to Oct. 22)
You may have more in common with someone in your life than you thought; though this person may appear different, even distant, you share common goals and dreams.

SCORPIO
(Oct. 23 to Nov. 21)
Stay calm and bite back any ugly comments you're tempted to make; disputes threaten at work and home but can be avoided with care, tact and a generous dose of Scorpio charm.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Take a chance at this time and it's likely to pay off, but playing the lottery or quitting your job is not the path to success. Instead, starting an ambitious new project is the key to your future.

CAPRICORN
(Dec. 22 to Jan. 19)
An associate may have hidden motives, or some small but puzzling error in your work could crop up; make sure to check your work carefully and try not to depend on others.

AQUARIUS
(Jan. 20 to Feb. 18)
An important choice may be yours to make but take care that you don't turn what could be a compromise into an all-or-nothing situation. Try to take the needs of others into account.

PISCES
(Feb. 19 to March 20)
An unusually honest exchange with a friend or coworker may bring up issues which are painful or confusing. Do not despair, the things you hear will ultimately help clarify future plans.

YOU BORN TODAY: You are an extremely loyal friend and lover, thus people often confide in you. Your tendency to put your own needs on the back burner sometimes gets in the way of accomplishing long-term goals. Others consider you highly sensitive and emotional.
Birthdate of: Pepa, singer; Lou Ferrigno, actor; Tom Weiskopf, golfer.
