Horoscope by Frances Drake

For Friday, Nov. 13, 1998

ARIES (March 21 to April 19)
Someone at work is trying to get under your skin, but you don't have to take it. Remaining calm in the face of irritation is the only proper response.

TAURUS (April 20 to May 20)
A bit grumpy and grumpy will describe your mood today. You may be accused of being a big persnickety with details and figures.

GEMINI (May 21 to June 20)
Someone close to you is trying to tell you something — have you been listening? Or is it that you don't want to accept what you know to be true?

CANCER (June 21 to July 22)
Small problems around your home will occupy your attention today. Is it the house's physical structure or emotional troubles wreaking havoc?

LEO (July 23 to Aug. 22)
You feel weighed down and are uncharacteristically quiet and shy. Avoid meetings like the plague and just try to get through.

VIRGO (Aug. 23 to Sept. 22)
With the moon in your own sign, it's like you can do no wrong. Even strangers on the street smile at you and your loved ones adore you now.

LIBRA (Sept. 23 to Oct. 22)
A fight between two of your friends or co-workers will leave you feeling like you have to take sides, but that's a misperception that could cost you.

SCORPIO (Oct. 23 to Nov. 21)
Tempers may flare over shared resources in your home or office. Settle disputes calmly and resolve to be fair in allocation.

SAGITTARIUS (Nov. 22 to Dec. 21)
Dot every "i" and cross every "t" today, when a small mistake can spell big trouble for your financial future. With a little caution, however, you'll muddle through.

CAPRICORN (Dec. 22 to Jan. 19)
A love relationship takes on a new shine as you discover an activity that you didn't know you enjoyed doing in a duo. Relax and enjoy this happy time.

AQUARIUS (Jan. 20 to Feb. 18)
A casual remark you make to someone could have more serious repercussions than you realize. Avoid gossiping and keep what you think to yourself.

PISCES (Feb. 19 to March 20)
A loved one needs your help now but is too embarrassed to ask for it, especially since you were the one who advised against that big move in the first place.

YOU BORN TODAY If it seems that an inordinate number of people are jealous of you, there's a reason: They are! You have enough magnetism and charm for two people, and others are instinctively drawn to your drive and power. It's that same drive and power, however, that may be your downfall as you obsessively work to get ahead and maintain your strength in any situation. These qualities make you a formidable foe, but perhaps a bit too steely for your own good. When you choose to be kind and loving, however, there's no one around who can match your passion.
