220 APARTMENTS (UNFURNISHED)

220 APARTMENTS (UNFURNISHED)

Horoscope by Frances Drake

What kind of day will tomorrow be? To find out what the stars say, read the forecast given for your birth sign.

For Wednesday, Nov. 18, 1998

ARIES (March 21 to April 19)
While you have lots of physical energy, you need to resist the energy to waste it on the wrong activities. It is crucial that you appear to be responsible.

TAURUS (April 20 to May 20)
Adopting a risqué attitude makes you the life of the party. Since you are remarkably in tune with the moment, your antics are in the best of taste.

GEMINI (May 21 to June 20)
Resist the temptation to squirm should you become the unwilling object of an investigation. If you really stop and think about it, you know you have nothing to fear.

CANCER (June 21 to July 22)
Put your tumultuous emotions to work for you. You need the help of a friend to confront difficult issues, but the results are well worth it.

LEO (July 23 to Aug. 22)
Let your focus be on healing divisions, rather than creating them. Be sure not to let a minor shadow cloud a sunny future.

VIRGO (Sept. 23 to Oct. 22)
Once you find your voice, others will wonder what has kept you silent so long. Don't be afraid to speak your mind when it comes to an important personal issue.

LIBRA (Oct. 23 to Nov. 21)
That irritating co-worker is a whole lot easier to deal with once you've had a short break. A favor done for another is more helpful than you realize.

SCORPIO (Nov. 22 to Dec. 21)
Should you be feeling in a rut, start fantasizing about a more glamorous future. Some marvelous changes are likely to be right around the corner.

SAGITTARIUS (Dec. 22 to Jan. 19)
You notice significant connections that previously seemed unimportant. Share your newfound wisdom with a confused friend.

AQUARIUS (Jan. 20 to Feb. 18)
Resist the urge to overspend before you actually have that check in the mail. You are able to maintain your composure during an awkward moment.

PISCES (Feb. 19 to March 20)
Make the most of the extremely altruistic mood that has come upon you. Since you feel the desperate need for a vacation, why not consult an agent?

YOU BORN TODAY While you may have the soul of a poet, it is most likely that you wear the exterior of a hardened punk rocker. Once you let your defenses down even a little, others quickly recognize the sensitive, caring and imaginative individual that you really are.
Birthdate of: Linda Evans, actress; Margaret Atwood, author; Kim Wilde, rock musician.

Dilbert By Scott Adams

LATELY, I'VE BEEN GROWING A UNICORN HORN.

IN SOME CULTURES, THIS WOULD BE A SIGN OF GREAT VIRILITY.

IT'S TIME TO ADMIT THAT I DON'T KNOW WHAT WOMEN WANT.
