Horoscope by Frances Drake

For Thursday, Nov. 19, 1998

ARIES
(March 21 to April 19)
The best outlet for an excess of energy would be a new physical activity or creative enterprise. Issues of ownership arise, causing you to rethink your definition of possession.

TAURUS
(April 20 to May 20)
Naive caution stops you from making a giant mistake. It is likely that an older friend or relative is very much in need of your assistance.

GEMINI
(May 21 to June 20)
Remember that you can still have a lot of fun while following the rules. Being obstinate just for the sake of it will only do you more harm than good.

CANCER
(June 21 to July 22)
Don't be too disturbed by the many minor changes occurring in your stratosphere. It will only be a very short time before you realize that it was all for the best.

LEO
(July 23 to Aug. 22)
In matters of courtship, you are all but irresistible. Try not to take too much advantage of someone else's fascination with your charm.

VIRGO
(Aug. 23 to Sept. 22)
The illusion of life as being completely carefree starts to wear thin as the piper comes knocking at your door. Do what you know is necessary, even if it is no fun.

LIBRA
(Sept. 23 to Oct. 22)
Partners may be surprised at the amount of attention they can give their loved one at a hectic time.

Taking time out for that romantic interlude leaves you in high spirits.
SCORPIO
(Oct. 23 to Nov. 21)
Fortunately, a heated moment will fail to rob you of your good instincts. This is definitely a time to remember that adage about all that glitters not being gold.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Harness the tremendous creative potential currently within you, and there will be virtually nothing that you can't accomplish. You have the temporary license to feel immortal.

CAPRICORN
(Dec. 22 to Jan. 19)
You have to try hard to remember why you are doing what you are. While you may not win the prize you're looking for, you set an important process in motion.

AQUARIUS
(Jan. 20 to Feb. 18)
You are determined that no one shall be excluded from your circle of friends. However, try to be sensitive to someone else's need for solitude.

PISCES
(Feb. 19 to March 20)
Focus on the consequences that might occur if you do not straighten out a complicated personal dynamic. Sour grapes is not a meal you wish to be imbibing.

YOU BORN TODAY Capable, independent, and individual are the three words that describe you best. Others might be forgiven for mistaking you for a marshmallow — thanks to your caring and enthusiastic spirit — but they would be sorely mistaken.

Birthdate of: Jodie Foster, actress; Meg Ryan, actress; Ted Turner, media executive.
