Horoscope by Frances Drake

For Monday, Nov. 23, 1998

ARIES
(March 21 to April 19)
A shortcut may become more labor intensive than you could have imagined. As frustrating as it might seem, doing things by the book will be easier in the long run.

TAURUS
(April 20 to May 20)
There seems to be a big gap between who you are and what you want. The question is whether all the changes you wish to effect are really in your best interests.

GEMINI
(May 21 to June 20)
Don't get too discouraged by what seems like a minor rejection. Your ideas are brilliant, and soon those around you will come to realize it.

CANCER
(June 21 to July 22)
The world will begin to look a whole lot more pleasant once you allow yourself a little breathing room. You are in an excellent position to articulate your desires.

LEO
(July 23 to Aug. 22)
Make the most of a serious mood that strikes you to get some important tasks accomplished. A friend has insight into a personal dilemma.

VIRGO
(Aug. 23 to Sept. 22)
Don't be dismayed if you fail to get the answers you are looking for right away. With a little more patience and perseverance they will become glaringly obvious.

LIBRA
(Sept. 23 to Oct. 22)
While you might be having a great time, make sure that you're not being insensitive to the needs of a loved one. Have your ears open when they

ask for a heart-to-heart.

SCORPIO
(Oct. 23 to Nov. 21)
Someone who you never dreamed would see things your way will suddenly be on the same wavelength. Romance may blossom in the most unexpected of places.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Your eyes are currently much bigger than your stomach, so resist the temptation to be greedy. You prove yourself to a co-worker or acquaintance who has been skeptical.

CAPRICORN
(Dec. 22 to Jan. 19)
Join forces with a partner, and you'll find that there's little that the two of you can't accomplish — particularly when it comes to creative endeavors.

AQUARIUS
(Jan. 20 to Feb. 18)
Take the time to appreciate the things that really matter in your life, and you'll be surprised at how much you've been neglecting close friends or a partner lately.

PISCES
(Feb. 19 to March 20)
You're feeling disillusioned in regards to your goals. Stay on track for just a little longer and you'll find that dream fulfillment is close at hand.

YOU BORN TODAY Despite your tendency to be a little too rigid when it comes to financial affairs, you have a tremendously adaptable nature. People trust you, as you are loyal, honest, hard-working and dedicated to your many passionate interests.

Birthdate of: Bruce Hornsby, rock musician; Steve Landesberg, actor; Susan Anspach, actress.
