**Horoscope by Frances Drake**

For Tuesday, Nov. 24, 1998  
**ARIES**  
Surround yourself with good friends, and the niggling worries which have been plaguing you will miraculously disappear. You may notice a subtle improvement in your vision or hearing.  
**TAURUS**  
(April 20 to May 20)  
A project which got off to a very slow start suddenly gains momentum. If you don't keep your eyes open, you may miss meeting a very special someone.  
**GEMINI**  
(May 21 to June 20)  
Plan to make a difference, and it's most certain that you will be able to do so. A common experience feels quite unique when it's happening to you.  
**CANCER**  
(June 21 to July 22)  
Remember that you don't always have to echo the opinions of those whom you admire. In this case, someone will greatly respect you for speaking your own mind.  
**LEO**  
(July 23 to Aug. 22)  
Relationship issues arise, but you are able to defuse the tension with your enormous charm. The worst thing you can do at the moment is to lose your temper.  
**VIRGO**  
(Aug. 23 to Sept. 22)  
You surprise yourself with how much delight you find in pleasing others. Make it a priority to prioritize, and you'll feel a whole lot more efficient.  
**LIBRA**  
(Sept. 23 to Oct. 22)  
You win the prize for originality, whether it comes to career or love. Keep using your charm like this, and the world will soon be

your oyster.  
**SCORPIO**  
(Oct. 23 to Nov. 21)  
The people you surround yourself with will make all the difference during a trying period. You will soon discover that you have more friends than you realized.  
**SAGITTARIUS**  
(Nov. 22 to Dec. 21)  
Indulge your need for peace and quiet by scheduling a solitary journey. Along the way, be sure to keep your sense of humor handy.  
**CAPRICORN**  
(Dec. 22 to Jan. 19)  
All those back-burner projects suddenly come sharply into focus. You will suddenly recognize a soul mate in a most unexpected place.  
**AQUARIUS**  
(Jan. 20 to Feb. 18)  
You are at the center of an incredible whirl of transformation. Don't be afraid to follow the wonderful whims of the moment.  
**PISCES**  
(Feb. 19 to March 20)  
A personal or professional relationship suddenly takes on a whole new direction. Just be careful that you are being honest with yourself about your intentions.  
**YOU BORN TODAY** Given your extreme drive, self-confidence, and ambitions, it is highly likely that you'll go far in life. You are a passionate and sensitive individual who always roots for the underdog. In affairs of the heart, you tend to be a little more fickle.  
Birthdate of: William F. Buckley, writer; Marlin Fitzwater, politician; Al Cohn, jazz musician.  
© 1998 King Features Syndicate, Inc.
