Horoscope by Frances Drake

What kind of day will tomorrow be? To find out what the stars say, read the forecast for your birth sign.

For Wednesday, Nov. 25, 1998

ARIES
(March 21 to April 19)
You're feeling ready to scream and shout — don't be afraid to express yourself. Career opportunities become available through a surprising new source.

TAURUS
(April 20 to May 20)
A challenge to your position arises, which fortunately, you are well equipped to deal with. Take the time to listen to a friend or family member in need.

GEMINI
(May 21 to June 20)
Be sure to reveal a secret yourself, as it's about to make headlines anyway. It may be difficult not to take a business failure personally, but realize that it was quite beyond your control.

CANCER
(June 21 to July 22)
Sometimes there's safety in anonymity, and one of these moments is likely to arise quite soon. Find a quiet way to express your pent-up emotions.

LEO
(July 23 to Aug. 22)
You are forced to choose between compromising and keeping the peace or holding onto your pride and causing a rift. Try to be a little more objective about the situation.

VIRGO
(Aug. 23 to Sept. 22)
Subconscious issues begin to emerge, most likely with a close family member. Be flexible in your approach to a complicated situation.

LIBRA
(Sept. 23 to Oct. 22)
An extremely pleasant surprise is just around the corner. Someone from your

past very much wishes to organize a reunion.

SCORPIO
(Oct. 23 to Nov. 21)
Someone is likely to misinterpret what you intended to be a quite harmless remark. Take charge of a situation which is within your power to fix.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Your ideas are worth far more than you realize, so stop being afraid to share them. A sense of self-doubt may be linked to issues with a family member.

CAPRICORN
(Dec. 22 to Jan. 19)
While you find yourself suddenly willing to take a financial risk, make sure that you don't gamble more than you can truly afford to lose.

AQUARIUS
(Jan. 20 to Feb. 18)
Realize that the events which you are so eagerly waiting for require your initiative. A gentle shove in the right direction will be all that's necessary.

PISCES
(Feb. 19 to March 20)
Frustrations arise with others, and you are currently unable to tolerate fools. Rest assured that more intelligent companionship is just around the corner.

YOU BORN TODAY Despite a reserved demeanor, once people get to know you, they quickly discover your wild side. You are not afraid to speak your mind, so long as you know there's at least one or two allies around to watch your back.

Birthdate of: Joe DiMaggio, baseball player; John F. Kennedy Jr., son of John F. and Jacqueline Kennedy; Amy Grant, singer.
