For Wednesday, Dec. 2, 1998

ARIES
(March 21 to April 19)
Take a "just the facts, ma'am" approach to communication — no soliloquies please! Make sure to keep your head screwed on tight, as your surroundings will be more chaotic than usual.

TAURUS
(April 20 to May 20)
Decision time arrives but it's a little ahead of schedule. Skip the heavy stuff for the time being, and try to find somebody to play with. Keep an eye on your finances.

GEMINI
(May 21 to June 20)
Don't be alarmed if you see a stranger in the mirror; it's you, armed with more power and vivacious charm than any one person should have. Seek out stimulating conversation.

CANCER
(June 21 to July 22)
The chatter inside your head may rise to deafening levels. Focus on the details in whatever you're doing to shut out the noise. Being with other people will provide welcome distraction.

LEO
(July 23 to Aug. 22)
Get a friend on the line or better yet, get all your friends on the line and invite them to party at your house. Make plans for the future while you're at it, and be ready for all present, partygoers to hang on your every word.

VIRGO
(Aug. 23 to Sept. 22)
This is a good time to practice conversation skills, but don't let your tongue run wild. Brevity continues to be the soul of wit, and less is definitely more.

LIBRA
(Sept. 23 to Oct. 22)
Both your brain and your heart are humming along at full throttle. Seek out intellectual stimulation wherever
