Horoscope by Frances Drake

For Friday, Dec. 4, 1998
ARIES
(March 21 to April 19)
Tension at home may be a problem. Don't try to lose yourself in work, though, since that tension might follow you to the office. Keep your cool. Other people have feelings, too.
TAURUS
(April 20 to May 20)
Open your mouth, and say what's on your mind, even if no one's around to hear it. Just moving your lips will do you a world of good. If you can communicate with a loved one, so much the better. Treat yourself to a fine meal.
GEMINI
(May 21 to June 20)
Do your best to lay low. Hang a "gone fishing" sign on your door, and let the answering machine do its job. You're unusually emotional, and you may say something you'll regret later.
CANCER
(June 21 to July 22)
Take a chance as your personal stash of good luck is full to overflowing. You might want to try something new in the kitchen, and it's a good time to invite family to share the results.
LEO
(July 23 to Aug. 22)
Though the surface appears calm, things are churning way down below. You find yourself in an unusual position — unable to make a decision. Don't force anything, just wait this out.
VIRGO
(Aug. 23 to Sept. 22)
Try to be in contact with as many people as possible at work — your time to shine has arrived. Socializing is a good idea wherever you are, since your verve and charm are in full bloom.
LIBRA
(Sept. 23 to Oct. 22)
This is no time for bold strokes, especially at work. Pay attention to small tasks; dot your i's and cross
