**Horoscope by Frances Drake**

For Monday, Dec. 7, 1998

**ARIES**  
(March 21 to April 19)  
Your energy level is high — perhaps verging on frenzied. Monitor your pulse regularly, and don't jump too high at false alarms.

**TAURUS**  
(April 20 to May 20)  
Remain in a sheltered and regulated environment. Even if you do, you'll probably have your hands full attending to the unexpected.

**GEMINI**  
(May 21 to June 20)  
Your communication skills, which are normally well above average, seem to be faltering. Try to speak slowly, carefully, and with a bit of forethought.

**CANCER**  
(June 21 to July 22)  
You've been a bit self-absorbed lately. Engage in conversation with someone interesting. You'll get more accomplished if you pay closer attention to outside affairs.

**LEO**  
(July 23 to Aug. 22)  
You are at the top of the heap, the center of the action or the front of the race, depending on where you want to be. All the calls are yours to make.

**VIRGO**  
(Aug. 23 to Sept. 22)  
A minor whirlwind sweeps through your office and/or home, leaving much debris for you to pick up. Do not berate yourself for things you could not have prevented.

**LIBRA**  
(Sept. 23 to Oct. 22)  
Observe the outside world as much as you can. Other people may provide you with examples to follow instead of to avoid.

**SCORPIO**  
(Oct. 23 to Nov. 21)  
You may be beset with minor conflicts and mishaps. Nothing will prove to be too serious, but you can expect some unavoidable delay.

**SAGITTARIUS**  
(Nov. 22 to Dec. 21)  
There is nothing holding you back if you wish to travel near or far in pursuit of your goals. Don't delay — this kind of freedom is unusual.

**CAPRICORN**  
(Dec. 22 to Jan. 19)  
If you feel as though you are fighting an intangible force, just stop the struggle. Things will calm down soon; in the meantime, you should conserve your energy.

**AQUARIUS**  
(Jan. 20 to Feb. 18)  
Avoid hyperbolic actions; there's no need to go over the top. Now is not the time for heroic impulses, brilliant inventions and the like.

**PISCES**  
(Feb. 19 to March 20)  
Reevaluate your ambitions, objectives and career paths. They may have subtly changed. If so, you must adjust your actions accordingly.

**YOU BORN TODAY** Freedom-loving and adventurous, you were perhaps born with one (or both) feet out the door! If not, it probably didn't take you long to begin your quest for excitement. The people you meet along the way become your friends almost instantaneously. Beware of indulging yourself too much.

Birthdate of: Tom Waits, musician; Ellen Burstyn, actress; Eli Wallach, actor.
