Horoscope by Frances Drake

For Monday, Jan. 4, 1999

ARIES
(March 21 to April 19)
You have energy to burn, and thus no trouble handling that burgeoning to-do list. Just make sure that you allow yourself a little time to relax.

TAURUS
(April 20 to May 20)
Resist the temptation to hold someone else's weaknesses up to the light. You know that they're feeling sensitive at this time and in need of support.

GEMINI
(May 21 to June 20)
Everyone exceeds his or her personal best when rising to a challenge. You could fall in love easily, but why complicate a perfect friendship?

CANCER
(June 21 to July 22)
The official version may not be the whole story, but it does provide a sense of context. Actions taken now have more far-reaching consequences than you realize.

LEO
(July 23 to Aug. 22)
Don't be surprised to find yourself suddenly in the spotlight. Let your speed and power carry you to newfound lengths.

VRGO
(Aug. 23 to Sept. 22)
Ignoring a personal conflict will only make things worse down the line. Embrace reality, even when it seems too big to get your arms around.

LIBRA
(Sept. 23 to Oct. 22)
Finally you find yourself in an environment with true room for growth. Individual achievements

become possible, thanks to group efforts.

SCORPIO
(Oct. 23 to Nov. 21)
Get work done through more traditional means should you start to find technology baffling. It's likely that what's confusing you is a problem beyond your control.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Share the wealth when you suddenly find yourself sitting pretty. You have enough personal power right now to make the impossible possible.

CAPRICORN
(Dec. 22 to Jan. 19)
All of humanity seems to be spoiled by an obnoxious few. Perhaps you should keep to yourself for a while, at least until your outlook improves.

AQUARIUS
(Jan. 20 to Feb. 18)
Following an impulse either saves the day or gets you into even bigger trouble. Look closely before you leap into action.

PISCES
(Feb. 19 to March 20)
Make sure that your response is appropriate to the situation at hand. If you suspect that you're overreacting, you're probably quite right.

YOU BORN TODAY Three of the adjectives that best describe you are logical, diligent and organized. Given this and your fine mind, your success in business matters is virtually guaranteed. Just make sure that you pay adequate attention to affairs of the heart.
Birthdate of: Dyan Cannon, actress; Matt Frewer, actor; Michael Stipe, rock musician.
