

190 OPPORTUNITIES

Need a Career?
Start your career in health care-a diverse and ever changing field ripe for information technologists to take leadership roles, to move manual patient records to electronic systems; develop and manage data quality, data privacy and security policies. Information technology management, systems analysis/design and technology planning are just a few areas of focus for graduates of this program.

The Health Information Administration certificate program offered by the **University of Washington** is a premier 9 month post baccalaureate degree program. Students may also attend part time.

For more information, call 206-543-8810 or write:

Health Information Administration Program, School of Public Health and Community Medicine, Box 354800, University of Washington, Seattle WA. 98105.
