Used Equipment Board Goes On-Line!!

Check out the cool new addition to the O.P. Web Page: the electronic Used Equipment Board! Folks can post their ad in several categories and the program automatically hotlinks the seller's email address. Moments after installation, OP web surfers were already posting ads! After an item has sold, the page allows folks to remove their own ad; otherwise ads are automatically deleted after one month. Individual sellers only please! Also give us feedback about the used equipment board and input about what other kinds of information would be useful to have on the O.P. web page.

O.P. Awarded Grant for Mountain Bike Book!

The Lane County Tourism Board recently awarded a \$5,000 grant proposal to the Outdoor Program for work on the second edition of the popular Lane County Mountain Bike Ride Guide. Funds will go toward some of the planned improvements to the book such as individual route maps and splashing color on some pages. The original edition was printed in 1992 and has sold 7500 copies in three printings. We hope to have the new edition available summer or fall of 1999.

O.P. Represents Self-propelled Boaters on Waldo Lake

The Outdoor Program has been asked by the Willamette National Forest to represent the interests of sea kayakers and canoeists on the Waldo Lake Management Plan Advisory Group. The group is made of a variety of interest groups and a multi-disciplined team of Forest Service employees. The goal is to devise a new management plan for the Waldo Lake basin. The plan will cover issues such as recreation, water quality, fire management, education, travel and access. A particularly important issue that will also be addressed will be whether to continue to allow the use of motorized boats on one of the undisputed purest bodies of water on the planet. The Outdoor Program will advocate to protect water quality and emphasize recreation alternatives that fit the pristine wilderness character of the basin. Please call Dan at 346-0636 if you have questions, input or concerns about the future of Waldo Lake.

O.P. Events E-mail List

The Outdoor Program has a popular e-mail list of those that would like to receive a notice of the current week's upcoming on campus events. Fill in the submission form on our web page, or send an e-mail directly to dgeiger@darkwing.uoregon.edu with a subject message, "add events list" and nothing in the message body.
