## Horoscope by Frances Drake

For Thursday, Jan. 21, 1999

**ARIES**  
(March 21 to April 19)  
This is a time for reaction instead of action. Others are waiting eagerly to hear your opinion on recent events, so be sure to speak your mind.

**TAURUS**  
(April 20 to May 20)  
If you have ever considered running for office, give serious consideration to throwing your hat into the ring. Your powers of persuasion are particularly excellent.

**GEMINI**  
(May 21 to June 20)  
Squandering your resources in irritation might leave you short on something you'll need later. What seems like an obstacle right now might actually work in your favor later.

**CANCER**  
(June 21 to July 22)  
Intellectualizing a problem is useful, but don't forget to take your emotions into account. Someone close to you is very much in need of your assistance.

**LEO**  
(July 23 to Aug. 22)  
Suddenly your actions clearly define who you are to others. Thus, this is no time to be hotheaded, impatient or infused with moral outrage.

**VIRGO**  
(Aug. 23 to Sept. 22)  
Don't cave in to what feels like a dangerous career move. If an offer seems too good to be true, then that may well be the case. Take the time to investigate the facts.

**LIBRA**  
(Sept. 23 to Oct. 22)  
Don't be afraid to take a chance—whether it comes to love, business or artistic affairs. There is little you
