**Horoscope by Frances Drake**

For Tuesday, Jan. 26, 1999

**ARIES**  
(March 21 to April 19)  
If you find yourself feeling  
overburdened, don't be ashamed to  
ask for a little assistance. There are  
rewards forthcoming for your hard work  
even if they are not immediately obvi-  
ous.

**TAURUS**  
(April 20 to May 20)  
A rare and beautiful possibility is  
presented to you most unexpectedly.  
Don't stop and think about things for  
too long, as this window of opportunity  
might be about to slam shut.

**GEMINI**  
(May 21 to June 20)  
What you thought was an urgent  
request turns out not to be so important  
after all. Someone is being very de-  
manding of your attention — be sure to  
take care of your own needs first.

**CANCER**  
(June 21 to July 22)  
Use your charm to influence some-  
one in a position of power. If a change  
needs to be made, it's up to you to set  
the process in motion.

**LEO**  
(July 23 to Aug. 22)  
Try to ignore feelings of jealousy and  
envy should they strike you unexpect-  
edly. Good fortune that comes to some-  
one close to you is likely to benefit all.

**VIRGO**  
(Aug. 23 to Sept. 22)  
A host of minor distractions may be  
cluttering your mind and making it hard  
to prioritize. Seek the solitude you crave  
in order to get your thoughts together.

**LIBRA**  
(Sept. 23 to Oct. 22)  
Make sure that your good intentions  
extend beyond words or thoughts on  
paper. Doing a favor for another will

soon come back to you tenfold.

**SCORPIO**  
(Oct. 23 to Nov. 21)  
You are capable of thinking like a ma-  
chine, but acting from the heart will better  
your performance. Be willing to compro-  
mise in order to keep the peace.

**SAGITTARIUS**  
(Nov. 22 to Dec. 21)  
Stand up for your beliefs, even if it  
causes you a little discomfort. Try to  
ignore the temptation to gossip. You'll  
be greatly relieved when it turns out  
someone was eavesdropping.

**CAPRICORN**  
(Dec. 22 to Jan. 19)  
A highly creative time is upon you,  
and others are attracted to your magne-  
tism. Make the most of this good fortune  
to spearhead an innovative new project.

**AQUARIUS**  
(Jan. 20 to Feb. 18)  
Change is far easier to cope with if you  
are facing forward. It's time to drop the  
defenses of the past and reopen lines of  
communication.

**PISCES**  
(Feb. 19 to March 20)  
Romance may blossom in the most  
unlikely of places, so be sure to keep  
your eyes and ears open. Perhaps that  
special someone has similar designs on  
you.

**YOUNG TODAY** Your enthusias-  
tic, adventuresome spirit is infectious to  
all around you, and you are happiest  
when at the center of attention. Natu-  
rally, this can also translate into a ten-  
dency to be arrogant and dogmatic. For  
the most part, your tremendous charm  
causes others to forgive you all wrongs.
