## Horoscope by Frances Drake

For Thursday, Feb. 25, 1999  
**ARIES**  
(March 21 to April 19)  
New projects embarked on at this time stand a high risk of not making it to completion. You'd be better off to stick with finishing what's on your plate.

**TAURUS**  
(April 20 to May 20)  
When it comes to love, sometimes you just never know until you try. Take a risk, and the next few days may find you walking with a brisk stride and snapping fingers.

**GEMINI**  
(May 21 to June 20)  
Focus on the task immediately at hand, and try to remember that tomorrow is indeed another day. Someone who knows you well has an excellent piece of insight to offer.

**CANCER**  
(June 21 to July 22)  
If you are determined to explore completely uncharted territory, be sure to bring a cartographer along with you. A short visit with your roots can help you regain perspective.

**LEO**  
(July 23 to Aug. 22)  
Do your best to be tactful when trying to acquire sensitive information. While this is not always Leo's best suit, the bulldozer approach certainly won't work in this instance.

**VIRGO**  
(Aug. 23 to Sept. 22)  
A simple event makes you think twice about where you're actually going. Take time out to plot your next course of travel a little more carefully.

**LIBRA**  
(Sept. 23 to Oct. 22)  
Your thoughts are most likely to be preoccupied with an issue on the domestic front. Clearing up this issue posthaste may be the best way to get

back on track.  
**SCORPIO**  
(Oct. 23 to Nov. 21)  
You are likely to fall slowly, madly, deliciously in love with a new person, idea or place. Don't be afraid to surrender to the fantastic feelings that follow.

**SAGITTARIUS**  
(Nov. 22 to Dec. 21)  
Your life would be a whole lot easier if you allowed your friends and family to offer a little assistance. Put your pride temporarily on hold and focus on your priorities.

**CAPRICORN**  
(Dec. 22 to Jan. 19)  
Prepare to leave a lasting impression on people who once had little or no opinion of you. All your best qualities are shining more brightly than ever.

**AQUARIUS**  
(Jan. 20 to Feb. 18)  
Make good use of a rare and unique opportunity to promote something very important to you. Social service and community are first and foremost on your agenda.

**PISCES**  
(Feb. 19 to March 20)  
You are likely to be shoved in the limelight even if you wish to stay well behind the scenes. Don't be afraid to take center stage; you'll certainly put on a good show.

**YOU BORN TODAY** Given your versatile nature, a wide range of career paths could leave you highly fulfilled. People respect your strong will and intellectual capabilities. While you excel as a leader, you often feel awkward when it comes to more intimate relationships.
