Horoscope by Frances Drake

For Friday, March 12, 1999

ARIES
(March 21 to April 19)
Concentrate on your own performance in the workplace, and you will make excellent progress. Although others may look to you for direction, it is not necessarily your place to criticize.

TAURUS
(April 20 to May 20)
Write up a schedule or time line. You are in control of the current situation and can take a moment to look at the future.

GEMINI
(May 21 to June 20)
If your best advice is taken in the wrong way, perhaps you should withhold your opinion altogether. Work by yourself until the time when others put enough value on your words.

CANCER
(June 21 to July 22)
The most basic questions may also be the most profound at this time. The success of a relationship depends on your willingness to discuss these questions honestly and completely.

LEO
(July 23 to Aug. 22)
There is no need to demand complete control over everything in your life; let others have the reins sometimes. The people who love you may understand your limits better than you do.

VIRGO
(Aug. 23 to Sept. 22)
A creative plan for the future is sure to be well-grounded in logic. Know that your ideas are doubly valuable because you have considered other options as well.

LIBRA
(Sept. 23 to Oct. 22)
Be as practical as you know how to be, and forgo sympathetic or sentimental actions. If you constantly worry about hurting other people's feelings,

you could be distracted from the actual goal.

SCORPIO
(Oct. 23 to Nov. 21)
Small inspirations come to you at this time. Many people have been worrying about a logistical problem, and you hit upon a solution that will please almost everyone.

SAGITTARIUS
(Nov. 22 to Dec. 21)
You find yourself perusing the business and money section of the newspaper with great fascination. You could become filled with an uncharacteristic desire for material wealth.

CAPRICORN
(Dec. 22 to Jan. 19)
The line of people waiting to ask your advice stretches around the block. Take your time giving answers, and don't hesitate to ask people to wait their turn.

AQUARIUS
(Jan. 20 to Feb. 18)
It is both absolutely necessary and seemingly impossible to prioritize your responsibilities. Give yourself some time alone to figure out an order in which things can be done.

PISCES
(Feb. 19 to March 20)
You have the opportunity to work with a group of people. You are a bit dismayed by the idea, but you have to admit that it will help you become more firmly rooted in reality.

YOU BORN TODAY Giving has always been more fun for you than receiving. You like to give intangible gifts such as sympathy in times of need or a flight of fancy to a mystical place. People count on you to provide these things. Although your gifts cannot be seen, they are sorely missed when you are not present.
