Horoscope by Frances Drake

For Tuesday, March 30, 1999

ARIES

(March 21 to April 19)

Adding up all the responsibilities you currently chafe under is giving you a headache. Take care of what you can now, and you'll feel easier when this influence has passed.

TAURUS

(April 20 to May 20)

Single Taureans are very much lucky in love while the chances for meeting someone new are quite strong. Even committed Bulls will find their relationships rejuvenated.

GEMINI

(May 21 to June 20)

Time spent alone is your solace, especially when friends and family members seem to be up in arms over something you hadn't even realized you did. Everything will calm down eventually, just keep your head in the meantime.

CANCER

(June 21 to July 22)

Do something different today, even something as small as making a change in the route you take to the office. Small differences lead up to unexpected results.

LEO

(July 23 to Aug. 22)

Monetary worries may occupy Leo's attention, as your free-spending past catches up with your financially precarious present. Resolve to resist such temptations in the future.

VIRGO

(Aug. 23 to Sept. 22)

Everything will fall neatly into place with very little effort from you, and your organized little life will hum along nicely. You are in your element and on top of everything.

LIBRA

(Sept. 23 to Oct. 22)

If you're stubbornly holding off making an apology, you may find that you've boxed yourself into an impossible situation. A friend accuses you of being selfish, and you are dismayed to discover that this person could be

correct.

SCORPIO

(Oct. 23 to Nov. 21)

A close friend or partner will accuse you of making too much of something little and may cast aside your worries. Don't let that keep you from expressing your feelings.

SAGITTARIUS

(Nov. 22 to Dec. 21)

A goal you set for yourself seems further away every day as you're distracted by mundane responsibilities and trials. Keep your eye on the ball; don't let yourself be drawn off course by red herrings.

CAPRICORN

(Dec. 22 to Jan. 19)

A new idea occurs to you suddenly, perhaps in a dream, and despite your fears it is actually a good one. Talk to a friend whose advice you value to see if you can discover a way to turn this idea into reality.

AQUARIUS

(Jan. 20 to Feb. 18)

You may make a lot of headway if you begin a new venture now, as circumstances are just right for new beginnings. Your courage and zeal will aid you in times when things seem bleak.

PISCES

(Feb. 19 to March 20)

It's as if someone else has taken hold of your tongue, and you just can't seem to avoid hurting other people's feelings. Apologize and resolve to think three times before saying anything more.

YOU BORN TODAY Others are irresistibly attracted to the excitement which surrounds you at all times; you are the type of person who brings the fun with you. You'll never lack friends or admirers, but in your downtime you may find that your restless zeal keeps you from relaxing. Try to find solace in quiet activities and private time.
