Horoscope by Frances Drake

For Friday, April 2, 1999

ARIES
(March 21 to April 19)

A sudden sense of purpose motivates you to make some change in your life or to get started on some life plan. Those around you respond to this by calling upon you for leadership.

TAURUS
(April 20 to May 20)

A friend whom you thought you had lost turns out suddenly to be a staunch supporter. Just in time, too. You could use a little help brightening up your spirits.

GEMINI
(May 21 to June 20)

Another person needs your help but is much too shy to ask. Offer it kindly and that person will benefit from your attention.

CANCER
(June 21 to July 22)

You find you are built to impress as you wow someone with your personality. Ask a friend what your next step should be.

LEO
(July 23 to Aug. 22)

It may seem that someone is just trying to push your buttons, but in reality this person is asking for attention. Give them good attention instead of acting upon the annoyance you truly feel.

VIRGO
(Aug. 23 to Sept. 22)

Afraid of speaking up, you've kept your peace but now a situation is calling for your attention. Give help where it's needed.

LIBRA
(Sept. 23 to Oct. 22)

Your charming natural qualities are enhanced and may impress someone in a big way if you're not in too big of a hurry to notice. Take a new route to an old haunt, and you may discover

something you'd previously missed.

SCORPIO
(Oct. 23 to Nov. 21)

Flagging energy and enthusiasm on some pet project could lead others to drop out. It's important that you show your commitment through action as well as what you say.

SAGITTARIUS
(Nov. 22 to Dec. 21)

Time may weigh heavily upon your head, and you may experience a drop in your productivity. Amuse yourself in the meantime by taking care of small errands or doing whatever it is that makes you smile.

CAPRICORN
(Dec. 22 to Jan. 19)

An old friend may show up unexpectedly and may demand an explanation for your departure. Be ready with reassurances, or you may end up in a spat.

AQUARIUS
(Jan. 20 to Feb. 18)

Changes are afoot at work, and you'll reap the benefits for whatever you have sown. Friends may be weary of endlessly hearing about your private life.

PISCES
(Feb. 19 to March 20)

You surprise others with determination you don't often show. You refuse to be distracted from the course you have set. Good for you! You are on the right track, now just keep going.

YOU BORN TODAY You are an extremely powerful person who attracts many admirers, as well as those who want to use your power to enhance their reputation or fortunes. With an astonishing amount of energy you seem to "have it all," handling career, family and social life with admirable poise.

Birthdate of: Dana Carvey, comedian; Marvin Gaye, musician; Jonas Salk, inventor.
