Horoscope by Frances Drake

For Tuesday, April 13, 1999

ARIES
(March 21 to April 19)
You might be feeling bold today. Don't be too impulsive without thinking of the consequences of your actions. However, your thoughts are your own.

TAURUS
(April 20 to May 20)
Good friends or co-workers may come to your rescue, and you'd be a fool not to accept their good graces. Rather than being too proud, return the favor.

GEMINI
(May 21 to June 20)
The problems that clutter the dinner table should resolve themselves by the evening. Keeping channels of communication open will expedite a solution.

CANCER
(June 21 to July 22)
Language isn't always about words. Pay special attention to the way something is said, rather than just the contents of a statement. You might need to brush up on your body language.

LEO
(July 23 to Aug. 22)
Illusion, smoke, and mirrors could play a big part in your current undertakings. Dig beneath the surface and read all of the small print. All that glitters is not gold.

VIRGO
(Aug. 23 to Sept. 22)
If you have been trusted with something valuable, be sure to keep it to yourself. Fight the temptation to spread the word. Your character could be at stake.

LIBRA
(Sept. 23 to Oct. 22)
A ride on the emotional roller coaster will go a lot more smoothly if you sit back and ride it out. You'll be glad you held on until the end — even if it turns out to be a short but remarkable ride.

SCORPIO
(Oct. 23 to Nov. 21)
First sparks of a new relationship are always the hottest and most exciting, but they are usually the quickest to die out. You could end up with a very, very good friend.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Your creativity is all abuzz, almost to the point of distraction. How do you know which idea to focus on first? Acting, rather than just thinking, will produce results.

CAPRICORN
(Dec. 22 to Jan. 19)
A debate that might be particularly impassioned may be going around you, and you are finding it difficult to remain a neutral party. Wave your white flag, Capricorn, and stand your ground.

AQUARIUS
(Jan. 20 to Feb. 18)
Money matters might be either burning a hole in your pocket or burning on your mind. Break out the calculator and find out where you really stand. Make sure you are well-informed.

PISCES
(Feb. 19 to March 20)
You may have finally found someone to escape with you into your wonderful world of fantasy. Make the most of it, Pisces, and it's bound to be a memorable experience.

YOU BORN TODAY Your birthday could not have come at a better time. Now more than ever you may need to be showered with the attention and recognition for getting wiser with the years, not older. You may not be the young cub you once were, but everyone sees you as a spry wolf strutting the prairie. Share the gifts that you've earned over time, even if someone might not be ready to accept them.

Birthdate of: Rick Schroder, actor; Garry Kasparov, chess player; Samuel Beckett, playwright
