

# GIVE US TIME TO REPAY YOUR LOAN.

After just three years in the Army, your college loan could be a thing of the past.

Under the Army's Loan Repayment program, each year you serve on active duty reduces your indebtedness by one-third or \$1,500, whichever amount is greater, up to a \$65,000 limit.

This offer applies to Perkins Loans, Stafford Loans and certain other federally insured loans which are not in default.

And this is just the first of many benefits the Army will give you. Get the whole story from your Army Recruiter.
