Horoscope by Frances Drake

For Tuesday, April 27, 1999

ARIES (March 21 to April 19)
This could be the time for making changes in your personal life. Whether you seek to improve your relationships with your loved ones, or you simply want to make your workdays smoother, you can decide what will make you happy.

TAURUS (April 20 to May 20)
When people project all kinds of things onto you, you can decide to correct them or prove them right. When you show someone acts of kindness that were not initially expected, both parties become pleasantly surprised.

GEMINI (May 21 to June 20)
Everything seems to be on your side, particularly time. When you have the luxury of thinking about your actions, you are even more self-assured and secure. If you're feeling the urge to cut loose, who is stopping you?

CANCER (June 21 to July 22)
Domestic issues might be occupying your mind. Once you take care of your home life, the other facets of your life get quickly whipped into shape.

LEO (July 23 to Aug. 22)
If you find yourself in the position of negotiator, consider how important it is to make yourself understood. When you weigh all sides, you are in the best position to make others happy. When you stop judging people, you'll see how they really are.

VIRGO (Aug. 23 to Sept. 22)
Something nagging you might soon become a thing of the past. Taking action to improve matters under your control is the quickest route to feeling fulfilled. When you wait too long to act, that window of opportunity just might close.

LIBRA (Sept. 23 to Oct. 22)
Your life is full of activities that are important to you. Taking time to learn a new skill or craft will prove to be very satisfying as long as you stick with it. If people seem inordinately critical, they may be jealous.

SCORPIO (Oct. 23 to Nov. 21)
You might feel less than energetic today, but it's not laziness. Being contemplative requires stillness in other areas, and it does take some time. When you discuss the things that matter to you with an equal, there is a lot to gain.

SAGITTARIUS (Nov. 22 to Dec. 21)
When you give your time and thought to people in your life, they can repay you in ways you never imagined. In turn, others might spend hours thinking about you and wishing you well. There is a genuine give and take in the air.

CAPRICORN (Dec. 22 to Jan. 19)
When you walk away from something, you should be aware of the tracks you are leaving. If there is someone special from your past that you want to incorporate into your present, ask yourself how it would work. Old habits die hard.

AQUARIUS (Jan. 20 to Feb. 18)
You can win many people over; the question is, who do you want on your side? Being friendly with the right people could pay off in ways you never imagined, but be sincere. You are incredibly charismatic.

PISCES (Feb. 19 to March 20)
Devoting time to people who need your attention proves to be richly rewarding and satisfying. What you give to your community and circle of friends comes right back at you in the most positive light.

YOU BORN TODAY It's up to you whether to share what's on your mind. Not everyone can understand you, and you must remember it's not your job to keep explaining to others what really motivates you. Being a strong person, you gravitate to people who possess similar qualities.

Birthdate of: Sheena Easton, musician; Jack Klugman, actor; Casey Kasem, disc jockey.
