Horoscope by Frances Drake

For Thursday, May 6, 1999

ARIES
(March 21 to April 19)
Don't get so caught up in the details that you forget the bigger picture. A friendship made at this time is likely to last forever.

TAURUS
(April 20 to May 20)
Don't be thrown if someone tries to deliver you an ultimatum. If you stand your ground, you'll find out that he or she might have been bluffing all along.

GEMINI
(May 21 to June 20)
Remember that how you see yourself is bound to affect how others treat you. It might be time for a boost in the self-confidence department.

CANCER
(June 21 to July 22)
Make sure that you are not shutting your eyes to some of your options. You may be seeing things as you wish they were, rather than as they are.

LEO
(July 23 to Aug. 22)
Justice is truly satisfying when it occurs to those who most deserve it. At long last, someone listens to your story.

VIRGO
(Aug. 23 to Sept. 22)
Inspiration comes easily at this time, so make the most of it. A creative project will lift your spirits and open your eyes to potential.

LIBRA
(Sept. 23 to Oct. 22)
You are likely to be unexpectedly reunited with an old friend or family member. Finally, you may be able to ask those stored-up questions.

SCORPIO
(Oct. 23 to Nov. 21)
As the saying goes, it's better to have loved and lost than never to have loved at all. Let go of your fears; allow yourself to be a little bit vulnerable.

SAGITTARIUS
(Nov. 22 to Dec. 21)
While you are determined to see the best in a situation, someone else may be determined to be pessimistic. Don't waste your energy hanging around with emotional vampires.

CAPRICORN
(Dec. 22 to Jan. 19)
You are likely to have the Midas touch at this time, and a wise bet could pay off handsomely. Single Capricorns captivate a stranger with their unique style.

AQUARIUS
(Jan. 20 to Feb. 18)
Don't attempt to force a situation which is quite beyond your control. Sometimes, it may be much better to just cut your losses.

PISCES
(Feb. 19 to March 20)
You are quite indispensable, both in the home and in the office. A crisis is forestalled thanks to your ingenuity and quick thinking.

YOU BORN TODAY Your ability to feign modesty is the only thing that keeps people from being envious of your many creative talents. You have an extremely large heart and giving nature. A touch of naivete may make it easy for others to take advantage of you.

Birthdate of: George Clooney, actor; Sigmund Freud, psychologist; Rudolph Valentino, actor.
