Horoscope by Frances Drake

For Tuesday, May 11, 1999

ARIES
(March 21 to April 19)
It may be time to break loose and have some fun. If you've been feeling sorry for yourself, here's your chance to shake those blues.

TAURUS
(April 20 to May 20)
Reviewing your recent accomplishments puts you in a much better frame of mind. It's far easier to make a fresh start when you're feeling self-confident.

GEMINI
(May 21 to June 20)
Sometimes you just have to accept a fact, whether you like it or not. Besides, it is likely that you are clinging onto something that was never worth your trouble in the first place.

CANCER
(June 21 to July 22)
The time is ripe for dreams, but put off any major communications with others until another time. Someone may need a little distance from you.

LEO
(July 23 to Aug. 22)
A fantastic opportunity arises, and you say it's just what you've been waiting for, so why are you hesitating? Don't let your fears be your own worst enemy.

VIRGO
(Aug. 23 to Sept. 22)
A historical event reminds you that time waits for nothing and no one. So why are you wasting precious minutes moping over what you can't have?

LIBRA
(Sept. 23 to Oct. 22)
Sometimes it's easiest to be most critical of those you love deeply. Try to put your concerns aside and give them the support that they require.

SCORPIO
(Oct. 23 to Nov. 21)
Use your imagination to make a romantic interlude extraordinarily memorable. Single Scorpios attract the attentions of a sultry stranger.

SAGITTARIUS
(Nov. 22 to Dec. 21)
If you think someone is wonderful, why aren't you showing it? There is no need to take out your frustrations on someone special.

CAPRICORN
(Dec. 22 to Jan. 19)
Everyone stands to learn a lot from each other at this time, so try to improve the structure of your team. You could learn an important business lesson.

AQUARIUS
(Jan. 20 to Feb. 18)
Sometimes it really is true that one deed is worth many, many words. Make sure that you're not just full of hot air by backing up talk with action.

PISCES
(Feb. 19 to March 20)
Allow someone special to romance you, and you could be in for a magical adventure. Remember that true love will not take you away from your personal destiny.

YOU BORN TODAY Fashionable and forward-thinking, you can always be found on the cutting edge. Your creative flair and eye for style mean that you impress many a mover and shaker. You always seem to have the latest and greatest new fashions or gadgets. However, superficiality and conceit with what others think of you may figure into your life a little too much sometimes.
